# AWOL Sailor Held For Navy

An 18-year-old youth who has been masquerading as an ex-marine here in town for the past two weeks is being held as a navy deserter after he was picked up by state police yesterday morning.

The boy, Charles William Kinsley, of Richmond, Calif., had in his possession a marine discharge issued to Truman Jameson, 23, of Wasco, Calif., and at first maintained that he was Jameson.

Under questioning at the police station yesterday he admitted his right name, but declared that he was just 17 years old, and that took the case into the hands of the juvenile office.

A wire to Richmond, Calif., police, established that he was 18 years old, and that he had been AWOL from the navy since June 3, and had been declared a deserter. That information returned him to state police custody.

Wasco, Calif., authorities sent word today that Trumon Jameson's discharge papers and draft card had been stolen from a parked car near Bakersfield several weeks ago.

A state patrolman picked Kinsley up at the Link river bridge about 2:30 a. m. Tuesday. He is being held for the navy.

## Portland Dockworkers Vote Walkout Threat

PORTLAND, July 24 (AP)—A five-point program aimed at strengthening the bargaining position of the CIO Longshoremen's and Warehousemen's union has been adopted by the Portland membership.

Union headquarters reported other proposals approved set $10 per capita assessment for a $1,000,000 publicity fund, formal affiliation with the committee for maritime unity which handled union affairs in the recent national maritime strike threat and acceptance of that agreement.
