Spencer Covers At Punch

This shot was taken late in the Spencer-Snapp fight last Tuesday when Ursal Snapp was doing his best to get a blow in at the Tacoma boy's chin. Although plenty of power landed, Spencer never went down. Snapp won the fight by unanimous decision.

Belcastro Fights Acheiu On Winner-Take-All Basis

If Pete Belcastro has one more surfboard in his system and manages to turn it loose on Walt 'Sneeze' Acheiu, the latter will not only concede that Pete is the better man but will allow Belcastro to walk off with both ends of the evening's main event purse.

Belcastro and Acheiu meet in the top armory rassling bout on a winner-take-all basis, a mixed match with a one-hour time limit.

The double-or-nothing basis was specified by Walt in clamoring for the return bout on the grounds that last week's duel had a very unsatisfactory ending. It was unsatisfactory from the Chinaman's viewpoint, in that he finished on the bottom.

Tex Hager, mustachioed muscleman from the Lone Star state, is scheduled for a six-round fight with Mad Mike Nazarian as the semiwindup. Hager has risen from the ranks to real contender material in the two weeks of his latest tour of duty in the northwest, with his top achievement being a win over Georges Dusette. Last week Hager won from Billy McEuin on a default.

Dusette has flown his private plane down to take part in the Air Day celebration here, commemorating the arrival of United Air Line service in Klamath Falls, and will be on the card tonight.

His opponent will be Jack Kiser in the opener, starting at 8:30.

Parents May Watch Swim

A "parents week" which will give parents the privilege of watching the progress of their child or children in swimming, will be held next week, August 5 to 9, in the KUHS natatorium. Only parents will be allowed in the spectators' gallery, and no child or high school student may watch unless accompanied by an adult.

The spectators' gallery will be open only during the instruction period and not in the evenings, pool officials stated. Next week will be the last week of swimming instruction given, during which time Red Cross tests and swimming certificates will be presented to deserving students.

Approximately 150 will receive the certificates, according to estimates by Joe Peak and Dorothy Gustafson, swimming instructors.

The adult swimming program, from 6 to 9 in the evenings and Sunday, will continue until August 11. Admission to the pool in the evenings is 50 cents.

Snapp Not On Tuesday Card

Don't look for Ursal Snapp on the next local fight card, the one coming up next Tuesday night, although Snapp has been challenged to a fight by Cpl. Bill McKinnon of the Marine Barracks.

McKinnon has asked for another week to get into trim, and the only other lightheavy in training here, Orville Johnson, will not tackle the Merrill puncher for awhile yet.

Bruce Mill probably will be in the main event next Tuesday. Snapp is booked to fight McKinnon August 13 and Johnson two weeks after that. Jim Wright is being spotted for the next card, as are some of the marines.

Soft Loop Finals Up

Dates for the playoffs of the Men's Softball league leading teams in the first and second halves of play were still undetermined today, even after a softball association meeting last night in the council chambers called by Harold Hendrickson, league director. Managers of five teams of the circuit were present.

The final time for playoff games will be decided at a meeting Friday at Recreation park field, following the replay of the Ashley-Vets game tomorrow starting at 6:15 p. m. This game will hold up the setting of game times as three extra playoffs will have to be played in case the Veterans are defeated. Under these circumstances, the VFW, Knights of Columbus and Ashley would be tied with three wins and losses each.

Also, a little time was needed to check on when state playoffs begin, as well as to see if Lakeview wished to play with any of the league teams.

Playoff teams already determined have been designated as (1) Moose, (2) Elks, (3) Palmerton and (4) not yet known. Two out of three playoff games won will determine the circuit champ, with about nine playoff games on the books.

Umpires picked for the playoff games were Dave Sargent, H. L. Smith, Vern Toombs and Clair Martin.

Other business brought up and voted on by the group was to send a committee of at least two men to represent the association to each council and recreation committee meeting. Also decided upon was the motion to give a first and second place trophy this year, permanently, to the placing teams.

Moose Finish Season On Top

Keeping their slat clean of losses during the second half of the men's softball league play, but nevertheless coming away with a relieved look after it was all over, Moose slid past the Veterans of Foreign Wars by one run, 8 to 7, last night on Recreation field. With Mel Ramos on second and Gale Lusk walked to first, Pitcher Buck Ferguson for the Moose squeezed a third strike just above Ray Schulmire's knees for the final count in the Vets.

This game officially ends the softball league competition, except one makeup game between Ashley and the VFW to be played Friday. Standings place Moose, as usual, on top and second position in a turbulent condition.

In last night's game, the Moose earned their eight runs on nine hits, while the Vets took seven tallies for 11 hits. Lusk and Schulmire dug up the only homers, both for VFW.

Tied up twice, the Vets led almost the entire game until the sixth inning, when two Moose runs put them out in front.

Seals Bust Oaks Again

By the Associated Press

The San Francisco Seals hopefully ogled the Pacific Coast League pennant, but their second successive blasting of the suddenly punchless Oakland Acorns dampened hopes for a record attendance for their series this week.

By humiliating the Acorns 9 to 1 last night, the Seals grabbed a three-game advantage over the Oaklanders in the flag race.

They played before 15,789 paying customers, compared to a loop record of 23,594 the night before. The second night of Seal punishment was far more severe than the first, leaving the hoped-for attendance record for the seven-game series open to question.

Melton Removed

Big Cliff Melton chalked up his 16th victory for the Seals against eight losses, although he was removed in the sixth inning with an elbow pain. Dale Matthewson finished and between the two the Acorns got seven hits, while San Francisco batsmen pounded Floyd Speer for twelve.

Both of Oakland's runs were unearned. First baseman Ferris Fain led the Seal assault with three hits in three turns at the plate. San Francisco opened up with a three-run spree in the first frame and the game was never in doubt.

Third ranking Los Angeles' Angels shut out the Hollywood Stars 2 to 0 for a lead of two games to none in their series. Centerfielder Leon Treadway scored the first run in the opening inning when he raced home from third as Ed Sauer hit into a double-play. Sauer homered in the ninth for the second tally.

Bevos Going Down

The last place Seattle Rainiers eked out a 7 to 6 victory over the Portland Beavers, their second in a row. Lou Novikoff accounted for two Rainier runs on a homer behind Jo-Jo White's single in the fifth inning. Bob Kahle's two-run double in the decisive seventh frame climaxed a four-run attack. Danny Escobar drove in three Portland markers with as many hits.

Sacramento's Solons peppered the San Diego Padres with 17 hits off three pitchers and a 10 to 4 decision to even their series at a game apiece. The six-run margin was provided by Shortstop Jack Calvey, a former Padre, who batted in that many with three doubles and a single in five trips. The Padres nicked winning pitcher, Gerald Staley for 11 hits.

Whiskerino Rules Given

General rules governing the Klamath Whiskerino were issued Thursday by Frank Peyton, chairman of the Whiskerino committee. The Whiskerino is being held throughout Klamath county as part of the celebration of the 100th anniversary of the opening of the southern route in 1846. The Whiskerino, which started July 22, will continue through the pageant days, August 22, 23 and 24. Following are whisker regulations:

1. It is the duty of all public spirited persons to either dress or appear in some way fitting the times of the Centennial celebration.
2. Men wearing short side burns alone will be hauled into court.
3. The hair as well as the whiskers should be allowed to sprout so as to see if they match in color.
4. Grey mutton chops with a red goatee and a black mustache will not be allowed on a baldheaded man and he will be prosecuted to the fullest extent of the law of the territory.
5. A Vandyke is fine but looks good with a set of handiebars above to strain your coffee through.
6. Burnswick and Larkshare are right in style—saves washing the face.
7. Prizes will be awarded for the most original and unique display, the reddest, the blackest, the curliest and who knows, there might be a few spotted specimens walking around.

Speeder Interrupts Debate On Traffic

LONDON, Aug. 1 (AP)—An automobile being pursued by a police car at 70 miles an hour through London's streets crashed through the railings outside the houses of parliament early today and hurtled down 12 feet onto the house of commons "speaker's green." One person was killed.

The crash interrupted a long commons debate on the traffic code.

Soap making on an industrial scale is believed to have originated in Italy at the time of the Roman empire.

30 KUHS Boys To See Dodgers

The 30 Klamath Union high school athletes who will watch the Brooklyn Dodgers in action at Bend tomorrow night will leave from Modoc field at 1 p. m. tomorrow and travel to Bend by school bus.

The professional football Dodgers will play a squad game under the lights at Bend.

Coach Ed Ryan of the KUHS Pelicans, who arranged the trip for the boys, will not go along with the gang on the bus, but is starting for Bend early in the morning to attend a coaches' clinic the Dodgers are holding. Almost every high school and college football mentor in the state will be there to take a leaf from the pros.

Seattle Nine Coming Here

With an outstanding record behind them in Seattle's top league, the A-A circuit, the Seattle Teamsters softball club will invade Klamath Falls next Sunday, August 4, to take on local softball exponents at Recreation field with the first game of the double-header getting underway at 1:30 p. m.

The Moose will test the strength of windmill pitcher, Jim Tockett of Seattle first off the bat, followed by the All-Stars, a group of players picked from the resources of all seven teams of the local league. The All-Stars will have little practice together before the game, getting in almost no practice sessions next week.

Manager George Wyse of the Seattle ball club will arrive with his team late Saturday night in order to be ready for both games the following afternoon. Approximately 15 players make up the Seattle team.

All-Star players picked by the softball team managers for the game are, as catchers, Olsen and Joe Derrah; pitchers, Ashby, Anderson, Gunderson, Harris, Ferguson; first base, Ed Hall, Sanders; second base, Abbey, Bishop, Lusk; third base, Cody, Brooks; shortstop, Valancour, Hendricks; left field, Pisan, Ramos; center field, Hackenworth, Schulmire; right field, Horn, O. Wirth.

All All-Star players are requested to be at Recreation park in time for both games, Sunday afternoon.

Flam Leading Racket Juniors

KALAMAZOO, Mich., Aug. 1 (AP)—Led by Herbie Flam, 17-year-old defending champion from Beverly Hills, Calif., who hasn't lost more than two games in any set since the tournament started, seeded favorites began tangling here today in quarter-final matches of the national junior tennis championships.

As the title chase simmered to the round of eight, second-seeded Buddy Behrens of Ft. Lauderdale, Fla., collided with Dean Mathey, No. 5, of Princeton, N. J., and third-seeded High Stewart of San Marino, Calif., clashed with Leonard Steiner, No. 7, of Brooklyn, N. Y.

Eagles Back School Hot Lunch Program

The state aerie of the Fraternal Order of Eagles took steps recently to urge the continuation of the school hot lunch program throughout Oregon. Representing the 29 state aeries, the state group wired the state board of control and the emergency legislative committee to take the necessary action so that federal aid could be obtained for the program.

A recent governmental announcement said funds will be available for the program only if the state assumes the responsibility. Approximately $18,000 from the state emergency legislative fund would be needed to set up administrative machinery.

Planning Fails, Cardinals Win

By The Associated Press

The best laid plans of mice and men go astray now and then, as Leo Durocher, masterminding manager of the Brooklyn Dodgers is ready to admit today.

The locquacious Leo, whose unorthodox albeit uncanny managerial moves have pulled many a game out of the fire this year, saw his latest bit of strategy backfire on him yesterday as the second-place St. Louis Cardinals belabored Joe Hatten and two successors for 15 hits and a 10-3 victory over the National league leaders.

The Card triumph evened the "crucial" series between the two contenders and once again the Brooks lead stands at two and a half games with the rubber contest to be played today.

Before the important three-game tussle, Durocher announced he would switch from his original pitching nominee, Hatten to Rube Melton, a non-winner up to then, to work the opener if Eddie Dyer's selection was Howie Pollet, the Cards' ace.

Leo's luck appeared more pronounced than ever when Melton, having one of his rare good days, outpitched Pollet Tuesday night and with Hatten, fully rested, on tap, the experts were ready to award Durocher another "E" for efficiency.

So what happened? Hatten got his ears pinned back, and Murry Dickson, recently elevated from relief roles, held the Brooks at bay while the Redbirds pounded out their biggest hit total in four weeks.

The Card-Dodger tussle partly overshadowed Bobby Feller's scintillating one-hit pitching exhibition against the Boston Red Sox as he registered his 20th victory by twirling the Cleveland Indians to a 4-1 victory.

Another Record

The triumph gave Feller another line in the record books as it tied Abbie Joss' major league standard of seven one-hit games. Joss also hurled for the Indians. Oddly enough, it was Bobby Doerr, who once before on May 25, 1939, spoiled Feller's bid for a no-hitter, who got Boston's only hit, a clean single in the second inning. Feller already owns two no-hitters. The fireball king fanned nine to increase his season total to 239.

The Detroit Tigers replaced the New York Yankees as Boston's closest rival by defeating the Bronxites 6-0 to wrest second place from their victims by one percentage point.

Claude Passeau, recuperating from an ailing back which had sidelined him for almost two weeks, pitched the third-place Chicago Cubs to an 8-1 victory over the New York Giants unNanny Fernandez from first base with the winning run in the ninth inning as the Boston Braves edged out the cellar-dwelling Pittsburgh Pirates 2-1.

After dropping six straight in Shibe park, the Cincinnati Reds turned about and downed the Philadelphia Phillies twice, 4-3 and 2-0, the opener in the 11th inning.

Helped by Bob Kennedy's fourth home run, the Chicago White Sox scored three times in the ninth inning to come from behind and defeat the Philadelphia Athletics 3-2. Four hits and an error produced four runs in the eighth inning for the St. der the Polo Grounds lights.

Pirates Edged

A triple to the right field corner by Connie Ryan scored Louis Browns, enough to beat the Washington Senators 6-2. Nelson Potter yielded six hits to earn his seventh success.
