Today's Newsie

EUGENE BOX

Eugene Box is something of a newcomer to Klamath Falls. He moved here from Sacramento early this year, and has been the Herald and News carrier on route one since April. Eugene is 12 years old and in the seventh grade, but he isn't sure just what school he'll go to this fall. His big interest is in Boy Scouting and he's a member of a brand new troop, number 42, and is already counting on becoming a Sea Scout when he's 15. "Then maybe later I'll join the navy," adds this sea-minded lad. Eugene says that lots of people on his route are a "pretty bad" when collection time rolls around. When people aren't home, he comes back either early in the morning or late in the evening, when he's almost sure to catch them in. Eugene is the son of Mr. and Mrs. J. K. Slow of 1016 Martin.

Lutheran Ladies—The regular meeting of the Klamath Lutheran Ladies aid at the church on Cross and Crescent has been postponed until August 29 as the church rooms are being re-decorated.

Slightly Improved—George R. Lindley of Lindley Heights, who has been seriously ill at Klamath Valley hospital, is reported to be slightly improved, but is not yet allowed to have visitors.

Crater Meets—Canton Crater number seven will meet tonight at 7:30 in the IOOF hall for practice for initiation.

Visit Friends—Mr. and Mrs. John B. Lemire spent yesterday visiting with friends in Andeville, Ore.

Women Plan Pageant Dress

All the best dressed women will be wearing old fashioned clothes with the appointment of a costume committee by the Centennial association. This committee has been named to assist Klamath women in making costumes and will be headed by Mrs. Christine Neubert.

Assisting Mrs. Neubert are Mrs. Claudia Moore, Mrs. Ardis Hamilton, Mrs. Harry Todd, Mrs. Joy Rolph, Mrs. Winifred Gillen, Mrs. J. A. Mahoney, Mrs. F. H. Jenkins, Mrs. Elvira Jones, Mrs. Golda Harney and Nancy Jones.

Stores are attempting to find material suitable for the dresses. Women employees in the various stores have been asked by the Centennial association to wear old fashioned costumes 10 days preceding the Centennial.

Traffic Force Arrests Four

The city police blotter this morning showed that a rather quiet weekend was enjoyed by the traffic force, with only four auto arrests being made.

Richard James Robinson, 29, of Vallejo, Calif., arrested early yesterday morning on Elm, posted \$100 bail for driving while under the influence of intoxicating liquor.

Jerry Jack Watson, 19, 1519 Worden, was arrested late Saturday night in back of the armory and booked for larceny from an automobile. Donald R. Clark, 2338 Oregon avenue, posted \$3 bail for having no operator's license.

Charles LeRoy Reed, 531 Prescott, was cited to appear in municipal court this afternoon for a triple charge of running a stop sign, violation of the basic rule on Pine, and having no muffler on his motorcycle.

A number of minor traffic accidents were reported over the weekend.

Exhibit Asked At Centennial

An historical exhibit and an amusement concession will be operated during the Centennial celebration if some lodge or organization can be found to take charge of the projects.

The suggestions for the concessions have been offered by the Centennial association and a number of people have indicated their willingness to place their historical articles on exhibit.

According to present plans, a small admission would be charged to take care of direct expenses. Any profit would probably go to the club or lodge handling the booths.

Organizations interested may contact Centennial headquarters at Fremont school or call 5264.
