

'Anti-Inflation Budget' Halts Public Works Jobs

WASHINGTON, Aug. 6 (AP)—The government's \$1,600,000,000 public works program ground to a virtual halt today.

Federal agencies—under presidential edict—set about choosing \$700,000,000 worth of construction to defer at least until spring.

Calling the step necessary to "comply with the president's anti-inflation budget," reconversion director, John R. Steelman yesterday clamped on a three-way moratorium that:

1. Prevents any agency from letting contracts for any new construction during the next 56 days without his express permission.
2. Provides that either civilian production administrator, John D. Small or housing expert, Wilson W. Wyatt must recommend and the reconversion director approve, non-deferrable federal construction to be started

Hostel Group Visits Lake

FORT KLAMATH, Aug. 6—A group of 30 youths, including 16 boys and 14 girls, left last week for California after visiting Crater lake on their itinerary which includes a 9000-mile train and 1000-mile bicycle trip, sponsored by the American Youth Hostel association. Ranging in age from 16 to 23 years, the hostel group started from Massachusetts on the 60-day vacation trip which took them through southern Canada, as well as to many western points in the United States.

Expenses for each boy and girl are taken care of by the sum of \$250 paid to the association, which includes all costs and allows one dollar per day for subsistence. Outdoor cooking by the group cuts down considerably on expenses. Very tanned and fit-looking, the group left Fort Klamath on their bicycles for California last week, and from there will return to their homes in eight eastern states.

American Distillers Raise Whisky Output

WASHINGTON, Aug. 6 (AP)—American distillers turned out 147,476,000 gallons of whisky during the fiscal year ended last June 30. That was nearly 105,000,000 gallons more than was produced in the previous year of rigid wartime restrictions, a treasury report showed today.

Despite the larger output, however, bottled-in-bond withdrawals dropped from 9,578,000 gallons to 6,938,000. Stocks at the end of the year totaled 374,073,000 gallons, an increase during the 12 months of 86,485,000 gallons.

Money Quarrel Ends In Stabbing Death

PUYALLUP, Aug. 6 (AP)—Howard L. Tomkins, 38, was fatally stabbed in a tavern brawl here last night and John Brown Calton, 28, was lodged in the Pierce county jail for investigation in connection with the incident.

A sheriff's deputy said witnesses told him Tomkins and Calton, both of Puyallup, engaged in a quarrel over some money and a scuffle then ensued. Tomkins fell to the floor and Calton ran from the building but was captured after a chase of several blocks. Tomkins was taken to a hospital in Tacoma but en route died of stab wounds.

Funeral services were held Sunday at Bridgeport, Wash.
