## Today's Newsie

ROBERT SOUTHWELL

Next October will wind up the third year young Robert Southwell has carried Route 19 for The Herald and News. Only once in all that time, was last December, has Bob had a "kick" from one of his customers and he thinks that night he was on his way to a party and in an awful hurry. Bob is the 12-year-old son of Mr. and Mrs. Fred Southwell, 1147 Pacific Terrace, and he delivers his 115 papers in the Hot Springs area. Bob was born here July 31, 1933, and goes into Fremont junior high this fall. If he's pretty fast, Bob can cover his route in 45 minutes. Collections are pretty good, but there are a few people who make him come back four or five times and that gets pretty tiresome to a young fellow trying to get all collections in by the 10th of the month. Bob plays the clarinet and plans to play in the KUHS band when he goes into high school in 1947.

## Market Quotations

**NEW YORK, Aug. 6 (AP)**—Selling persisted in today's stock market although it never was really oppressive and, as in the preceding session, a number of favorites managed to retreat the curtain for good gains. Timid bidding appeared in the final hour and extreme losses sustained in two or more points were reduced in most cases at the close.
