

New Pine Creek

Quite a few members of the East Side grange were present last Saturday night at the big Davis Creek dance. Although the floor was almost too crowded at times to dance well, the crowd was not as large as it has been in times past. It was understood that the benefit netted over \$100.

Bert Denherder is back from the navy, having been discharged on July 7. He was married about a year and a half ago, and his wife who is still living in Tacoma, Wash., will join him in two or three months. Denherder is working for Evert Reid now and plans to locate with his family permanently in this country which he likes very much.

An average of 2740 passenger cars were retired from service each day in the past four years. Total number for four years is about 4,000,000.

Whether it is recipes or the building of barbecue pits, Elizabeth Ann Jones gives homemakers detailed instructions from files of the home demonstration office. Elizabeth assists Mrs. Winnifred Gillen, home demonstration agent and she admits that it is a liberal education just hunting out answers to homemakers' questions. She has lived in Klamath county most of her life, taking time out to attend Sacramento Junior college and the University of Oregon. The thing she likes best about her work is the distributing of helpful information to housewives. Elizabeth is on Maryellen Wright's federal building beat.

SLEEP MOVEMENTS
Tests conducted in Pittsburgh by scientists indicated that the average healthy person changes his position 38 times in eight hours and that it is abnormal to sleep without moving.

In Stuart days, it was the custom to put a piece of toast in the wine cup for flavor; hence the English expression, "drink a toast."

Pioneer Community

Mr. and Mrs. Joe Heiderer have moved into their new home purchased from the R. Rice family.
