LOMBARD'S LEAD AGAIN

Exclusive
GRANITIZE SERVICE

The modern method of treating automobile finishes.
GRANITIZE SOLUTION contains a patented material which leaves a hard, dry, granite-like finish. It produces a very high lustre WHICH CANNOT BE OBTAINED BY THE HAND METHOD OF POLISHING. There is nothing "like" GRANITIZE. GRANITIZE cleans, polishes and leaves a lasting protective coating. It is not necessary to wax a GRANITIZED car. This solution is made for machine work and a trained operator is necessary for the best results.
