

**HIGH SCHOOL**  
News Notes and Comment

By MARY O'BRIEN  
Christmas thoroughly pervaded the halls of KUHHS today as students laid aside books and studies until January 6. Classes, all six, were only one-half hour periods and were crowded into the morning school hours. Afternoon home rooms were extended for half an hour to give time for the home room parties. Mary O'Brien many rooms celebrating complete with evergreens.

The 40-minute assembly followed closely with Lee Goode as chairman. The talent was split about 50-50 between faculty members and students. An alumni skit, a satire on Christmas, was first presented. Patty Meyers sang for the students and John O'Conner, faculty member, played a violin solo. Also singing was a faculty quartet composed of Wendell Smith, Fred Goodwin, Paul Deller and Don Golding. The quartet was accompanied by Chuck Woodhouse at the piano.

Annually the social committee holds a Christmas dance after the Christmas assembly and this year was no exception. Patty Meyers was in charge of decorations for the big tree on the stage and also for the dance in the girls' gym.

The Krater also came out today resplendent in its own eight-page glory and green ink. No small part of the extra two pages was filled with Christmas features and poems.

For Christmas Day itself Script and Mike has planned a Pelicana program to originate from the auditorium. Irma McBride is the Christmas radio editor.

That's all now before Christmas vacation except to wish everyone a merry, merry Christmas and a happy New Year.
