ACME BREWERIES, San Francisco

## HIGH SCHOOL News Notes and Comment

**By MARY O'BRIEN**

Second in the National School assembly series was a couple billed as the Christians who performed at an assembly today. As they showed their collection of colored films on the "River of No Return," they made comments on their experiences. Home room teachers collected the admission fee of 10 cents if students went to the assembly.

Mary O'Brien

In the past years the annual Senior banquet sponsored by the Parents' and Patrons' club cost each senior 50 cents. To do away with this the club this year plans to up membership to 50 cents per guardian, a dollar per couple, for the school term. A

re-opening of the membership drive will be effected next Wednesday, January 15, at a meeting in the high school building. The public is invited to the meeting and an invitation is given especially to parents of high school students. Mrs. Frank Peyton is president of the club and in charge of arrangements.

## Mercury Shows Wide Range

The temperature during December gyrated between the warmest day, December 1 with 54 degrees, to the coldest day December 31 when it dropped to 10 degrees above zero. The mean monthly temperature was 34.5 degrees which was 3.8 degrees above normal. This was the highest mean for December since

**1000 EGGS IN EVERY HEN**  
If You Keep Poultry for Eggs Get This Free Plan

The average pullet may lay 150 eggs or more in second year, may lay 100 then she goes to market. Yet it has been established that every pullet is hatched with 1000 to 2000 egg ova—and in many cases may be made to lay on a highly profitable basis for five years or more—if given the proper care.

How to get extra eggs from older hens—instead of culling and replacing each season—save on breeding, rearing, feeding expense and increase net poultry profit are explained in 1000 EGGS IN EVERY HEN plan developed by Henry Traftord, famous Poultry Expert, for 18 years Editor of Poultry Success. One copy will be sent Free to any reader who keeps six hens or more. Eggs are in big demand this year—at good prices. You want all you can get. Mr. Traftord tells how. Cut out this notice and write for your Free Copy to PENN. POULTRY SERVICE, Suite 128, 333 North 15th St., Philadelphia, Pa. It will come by return mail.

HERALD & NEWS, Klamath Falls, Ore., TUESDAY, Jan. 7, 1947, Page Three

1939 when 37 degrees was recorded.

Total precipitation for December was 0.83 of an inch. Total for December 1945 was 3.30 inches. Normal for the month is 1.84 inches. The greatest amount recorded in any observational day during December 1946 was 0.28 of an inch recorded on the third.

There were six clear days, 12 partly cloudy and 13 cloudy days during the month.
