Stock Leaders Skid Today

NEW YORK, Jan. 7 (AP)—Moderate forward tendencies were exhibited by assorted stocks today although numerous market leaders skidded.

Mild irregularity was the rule after a fairly active opening. Dealings soon turned sluggish. The pace quickened in the final hour when selling appeared. While gains of fractions to a point or so were in evidence near the close, losses of as much predominated. Transfers ran to about 1,000,000 shares for the proceedings.

Schenley, at a 1946-47 low yesterday, attracted support. Ahead were Goodrich, Douglas Aircraft, American Smelting, Du Pont, Standard Oil (NJ) and Philip Morris.

Stumblers included Southern Pacific, Western Union "A," Johns-Manville, Allied Chemical, General Electric, Phelps Dodge, U. S. Steel, Bethlehem, Youngstown Sheet, Sothern Railway, Great Northern, General Motors and Chrysler.

Bonds were relatively steady.

Grain Futures Depressed

CHICAGO, Jan. 7 (AP)—Increased country offerings of corn combined with lack of evidence of government buying today depressed the grain futures market.

Corn led the decline, opening on the easy side and then showing additional weakness when bookings were placed at 358,000 bushels. The commodity credit corporation announced it has reduced its buying price for corn one cent a bushel in Chicago and adjacent territory.

Selling overflowed into the wheat and oats pits, and none of the grains showed much inclination to rally.

At the close wheat was ¾ to 1¼c lower than the previous finish, January $2.13½, Corn was ⅝ to 2¾c lower, January $1.30¼-½. Oats were 1 cent to 1¾c lower, March 74⅞-¾c. Barley was ½c lower, March $1.25½.
