

Song Writer Tells Marriage Plans

HOLLYWOOD, Jan. 9 (AP)—Songwriter Doris Fisher's newest tune is titled "Either It's

Love or It Isn't." Apparently, it is. She says she and Charles Gershenson, Detroit chain store operator, will be married next month. The author of such hits as "Good, Good, Good" and "Tampico," was divorced from Paul Wald in Las Vegas, Nev., last August. She is 26. It will be the first marriage for Gershenson, 42.
