

Liquor Big Arrest Cause

A breakdown of the city police department's arrest record for 1946 shows that liquor was the cause of the great majority of bookings during the year which saw a record of 4260 arrests for all offenses.

In 1946 there were 2260 persons arrested for drunkenness. The usual result was either a \$10 fine or five days in jail, and the number of fines paid or \$10 bail jumped contributed materially to the \$38,340.55 collected by the police judge for the year.

In addition to the drunkenness arrests, 111 were made for other booze law violations, such as selling liquor to Indians. For disorderly conduct, which usually implies a certain amount of liquor consumption, the arrest total was 504, and for drunk driving 32.

The breakdown also shows 213 bookings for vagrancy, 789 for traffic violations, 72 for reckless driving, four persons for assault and seven for carrying concealed weapons.

Also during the year, 3634 persons paid off traffic tickets. Only one automobile accident fatality occurred inside the city limits during 1946, and likewise one railroad fatality.

The arrest total of 4260 for the police department in 1946 marked the biggest year of business since the establishment of the force. In 1945 the total was 3513 and in 1944 it was 3812.

Flashes Of Life

ECONOMICS LESSON
SEATTLE, Wash., Jan. 9 (AP)—Associate Professor John R. Huber, who teaches economics at the University of Washington, pleaded in defense of a speeding charge that he was hurrying home to relieve the baby sitter with his children.

"That's poor economics," said Justice of the Peace Roy DeGrief.

"It's penny wise and pound foolish to pay out \$10 for a fine to save 50 cents for a baby sitter."

The professor agreed and paid.

TRIPLE TROUBLE
JEFFERSON CITY, Mo., Jan. 9 (AP)—Gene Brumley bought a new automobile last spring.

He lent it to a relative and the car was wrecked in an accident. He had the car repaired and four days later his garage burned.

He had the car repaired again and somebody stole it. Yesterday he got word it had been recovered in another county and was being held for him.

But he's not going after it until the ice gets off the highways. **NOT THAT CAR.**
