

Private Skiers Offer Objection To Contract

Snow Club Claims Lift Operated Solely for Members Will Not Interfere With Crater Lake Commercial Tow

By HALE SCARBROUGH

Members of a local ski club who own and operate a private, non-commercial ski tow on Garfield slide at Crater lake have expressed some opposition to a request made by Al Vincze that he be granted exclusive ski tow rights at the winter playground, although maintaining that their lift in no way would infringe on Vincze's commercial business.

Joe Tinker, Baseball Great, Awaiting Leg Amputation

ORLANDO, Fla., Jan. 14 (AP)—Joe Tinker lay on a hospital bed today awaiting amputation of his left leg and, to all appearances, being late on a throw to first base would have caused him more concern. His major worry appeared to be that he might miss some of his baseball activities during the coming season.

Braves as he has in recent seasons. The former Chicago cub shortstop, who helped make baseball history after the turn of the century as the starting cog in the famed Tinker-to-Evers-to-Chance infield combination, will have his leg severed above the knee Thursday to halt a gangrenous condition.

'Cats Slate Hornet Tilt

Tonight at the KUHS court the Wildcat basketball team, coached by Paul Angstead, meets the Henley Hornets in a non-conference tilt starting at 8 p. m.

Then tomorrow night the 'Cats play the Mt. Shasta, Calif., B team as a preliminary to the feature attraction between the Pelican junior varsity and the Mt. Shasta varsity. First game of that double bill will start at 8:45.

Also tomorrow night the high school Victory basketball league gets into operation with two games on the Fairview gym floor. There are 18 teams in the Victory loop this season, divided into three competing sections.

In the American division are teams representing Lost River dairy, Eagle pool hall, Murphy's barber shop, Cal-Ore, Fluhrer's and Lincoln Street grocery. National division teams are DeMolay Blues, Harwings, T and I, Grease Monkeys, Palmerton and H-Y. In the Federal circuit are Mac's grocery, Coast to Coast, Gun Store, Binkley's, Balsiger and DeMolay Golds.

Yankees Slate Southern Trip

BROOKLYN, Jan. 14 (AP)—The New York Yankees and Brooklyn Dodgers will add a little mileage to their spring training travels this year with a six-game series slated for Latin America.

The inter-league rivals will oppose each other in a three-day series at Caracas, Venezuela, March 4-5-6, with the winner of that set to be presented with a cup emblematic of the "championship of Venezuela."

After that the clubs will journey to Havana, Cuba, for another trio of contests, March 8, 9 and 10, the Dodgers announced yesterday.

Broncs Rest Before Show

DENVER, Jan. 14 (AP)—Judged broncs who will have an all-day respite were primed and ready to go tonight when a lot of cow waddies go into the arena for another session of the national western stockshow rodeo.

Despite a flock of "foreign" rodeo hands who currently are throwing the steer around at the week-long stockshow, four Colorado cowpokes went into the money brackets during last night's performance. Jesse Like of Kim, Colo., took a second in saddle bronc riding and first in steer wrestling; Bill Bockman of Virginia Dale, Colo., copped first place in the bareback bronc riding event, and Don Wilson caught a third in the jolting job of riding a Brahma steer.

Freddie Brown, second place man in the Brahma contest got his spot the hard way. Brown, of Lawton, Okla., was kicked in the head and knocked unconscious while helping at the steer chute. Despite a general tendency toward grogginess the freckle went out and rode a critter into the money.

Ex-Pug Given Draft Sentence

PHILADELPHIA, Jan. 14 (AP)—Gus Dorazio, once the fourth-ranking heavyweight boxer in the nation and a 1941 victim of Champion Joe Louis' power-packed fists, has been sentenced to a year and a day in federal prison as a draft dodger.

Dorazio, 29-year-old father of two children, was convicted on charges of falsely representing himself as a war worker to evade induction in the armed services.

Judge Guy K. Bard passed sentence in U. S. district court yesterday. The jurist said he intended giving the ex-fighter a two-year sentence but reduced it because Dorazio's wife is expecting another child.

Trippi Honored

PHILADELPHIA, Jan. 14 (AP)—All-American Charley Trippi, the University of Georgia's star halfback from Pittston, Pa., gets the 10th annual Maxwell Memorial Football club award tonight.

It is awarded to the collegiate grid player considered "best" in the nation by the club.

LIKES NO. 13

CHICAGO, Jan. 14 (AP)—Al G. Kumskis says he does on the number 13. Yesterday, Jan. 13, Kumskis, an independent candidate for alderman—the 13th ward—appeared at the election commissioner's office. He was accompanied by a committee of 13 persons who filed his petition of candidacy with more than 5000 signatures.

Finals in the election are April 1.

Short Season On Trout Set By Fish Group

PORTLAND, Jan. 14 (AP)—Smaller bag limits and the latest trout season opening in years feature tentative fishing regulations proposed by the state game commission.

The suggested regulations are subject to change until January 25 when the final program for 1947 will be adopted. The tentative schedule: Tidewater fishing areas closed from October 18 to June 15 except in Tillamook bay, Coos bay and the Umpqua and Rogue rivers which have an extensive list of detailed areas with modifications of the general order.

Salmon and steelhead limit of two fish a day, open the entire year except in specified waters, with anglers limited to catch and possession of not more than six in any seven consecutive days. The Umpqua river and tributaries except the Smith river are listed for two open seasons, with the summer season all of July and the fall-winter season from September 1 to March 9.

Trout season opening May 3 and closing October 15 except in specified counties with a bag limit of 10 fish but not to exceed 15 pounds and one fish in any one day and 20 fish and not to exceed 30 pounds and two fish in any seven consecutive days. Minimum size except in some rivers is six inches.

The club's tow is operated by a small motor and is just big enough to carry one person up the hill at a time. A spokesman for the group said yesterday that the persons who were in the club were better-than-average skiers and would not be potential customers for Vincze's commercial tow.

The club members want to keep their tow in operation, and fear that if Vincze was given exclusive tow rights they might have to take their tow down. They say that they can very easily see Vincze's point of view in that he has spent a good deal of money on his Knob hill tow and wants to operate it as a commercial venture for a profit.

The private tow is operated only by club members when enough of the members are up at the resort to make up a skiing party. Generally it is in use on Saturdays and Sundays.

The club has owned the small tow for several years and operates it at the club's expense and not for profit.

Vincze's tow is not yet in operation, pending approval of his contract with the Crater Lake company by the park service, but a ruling by the park service is expected probably this week.

Henley Clamps Malin, 46-51

HENLEY, Jan. 14—The Henley town team of the Basin Basketball league last night won over the Malin entry, 46 to 41, after leading all the way. The Henleyites took charge of the game by jumping off to 19 points in the first quarter, holding Malin to seven, but that was the best period for the winners.

By halftime the score was 26-19 and Malin had climbed to within four points to 35-31 at the three-quarter mark. Hays scored 14 points for Henley, Kirkpatrick 14 and Weston 12 for Malin.

Yep! Those Were The Days

LOS ANGELES, Jan. 14 (AP)—George F. McConnell, who says he thinks he's the first man to throw a curve with a baseball, invited a host of friends in today to help him celebrate his 90th birthday.

His historic toss was made in Vancouver in 1878, when he was pitching for the Vancouver Buffaloes. It broke so sharply that it hit the opposition batter in the stomach and almost started a free-for-all, he recalls. He said he and a catcher got the idea watching the "English" put on billiard balls in a pool hall.

Among the guests McConnell invited was G. F. Butler, 93, of North Hollywood, a teammate on the old Ashland, Ore., Grays. He and Butler, he remembers, once traveled 52 miles by six-horse stagecoach to Yreka, Calif., for a game — were met 10 miles outside town and escorted in by a brass band.

"Those," he says, "were the days."

Notre Dame Doesn't Want Purity Code to Freeze Out

SOUTH BEND, Ind., Jan. 14 (AP)—Notre Dame, perennially a football powerhouse, today was pledged to "practical" athletic standards adopted by major schools, but demanded that the Irish not be frozen out of big-time competition.

Obviously weighing the "purity code" adopted last week by the National College Athletic association, Notre Dame's president, the Rev. John J. Cavanaugh, CSC, last night hit at "so-called reformers" in the intercollegiate picture at a banquet honoring the 1946 "Fighting Irish," mythical national football champions.

Father Cavanaugh scorned "the mere publishing of noble, high-sounding codes which are often hypocritically evaded in actual practice," but definitely showed concern over schedule sanctions which may evolve from the NCAA's proposed de-emphasis program.

"If the great institutions of this country agree on practical standards for athletics and decide not to schedule other institutions that will not observe these standards," he declared, "Notre Dame will go along, providing the decent corollary of such a policy is put into effect, that no institution observing these standards will be excluded from competition."

Jewelers Win Over Woolen

Last night at Altamont gym, Rickys Jewelers topped Oregon Woolen in the first game of a Basin league doubleheader, 62 to 35. Wayne Scott scored 17 points for the winners.

The afterpiece went to Hal's Sport shop over Four-Star Merchants, 46 to 34.

Cal Hires New Sports Manager

BERKELEY, Calif., Jan. 14 (AP)—Brutus Hamilton, the University of California's one-man search party for a new football coach, has been named acting general manager of athletics to replace Baseball Coach Clint Evans, whose contract expires January 20.

Hamilton, who is track coach and dean of men, had no announcement as to a new grid coach for the Bears but said today he had talked with at least two dozen candidates while he was in the east and had narrowed the choice down to about six.

He was expected to confer today or tomorrow with University President Robert G. Sproul on the prospects.

Panthers Garner 9th Straight Win

CHILOQUIN, Jan. 14—After trailing by three points at the end of the first half, the Chiloquin Panthers finally found the basket to ring up 23 points in the third quarter and beat out the Malin Mustangs 38 to 26 in a week-end basketball game.

The win was the ninth straight for the Panthers, who are easily coasting along in the county league lead.

Rugged Duo Make Squad

Brutal Buck Lipscomb, who recently was batted down in an attempt to lift the coast junior heavyweight rassing crown from Pete Belcastro in Portland, will be one half of the team which will face Billy Weidner and Billy Fox in this week's armory headliner Thursday night.

Lipscomb's partner in the scrapping will be Sammie E. Cohen of the Bronx, former Red Devil of the squared circle.

Cohen and Lipscomb were contacted yesterday by Promoter Mack Lillard and agreed to participate in the tag team match with Weidner and Fox. The pairing now lines up as one team of cleanies and one of meanies, which should make for an exciting evening.

The tag match will be a no time limit fray, conducted under the relatively loose rules for such events which state that only one man of a team shall be in the ring at a time. One other bout has been scheduled for the night.

Youthful Fan Chats With Babe

NEW YORK, Jan. 14 (AP)—Babe Ruth's condition was announced as "good" today following a restful night at French hospital—one week after undergoing a neck operation.

Hospital authorities also announced that the former home run king was able to walk around the hospital yesterday. They failed to say how long Ruth remained on his feet.

At the same time it was revealed that a 12-year-old boy pleaded so hard for an opportunity to see the baseball idol, he was finally admitted and chatted briefly with him. It was the first visitor admitted besides his immediate family.
