Stock Leaders Slow Today

NEW YORK, Jan. 14 (AP)—Selective recoveries brightened the stock market today although support was light and many leaders were neglected.

Selling dried up at the start. Dealings reverted to sluggishness after a fairly active opening but steels, motors, rails and a number of industrials edged forward. While declines were plentiful, gains of fractions to a point or more predominated near the close. Transfers for the full proceedings were around 500,000 shares.

A few "thin" issues such as Eastman Kodak added 3 points on meager transactions. Favored were U. S. Steel, Bethlehem, Chrysler, General Motors, Santa Fe, Southern Pacific, Great Northern, Schenley, Twentieth Century-Fox, Transcontinental & Western Air (on a new financing program), Du Pont, Woolworth, United Aircraft and American Water Works.

Stumblers included Goodrich, Johns-Manville, Dow Chemical, Allied Chemical and Standard Oil (N.J.).

Assorted railway bonds improved.

Grain Shows Sharp Gain

CHICAGO, Jan. 14 (AP)—Commercial demand and short covering met limited offerings in the wheat pit today and the flour cereal led other grains to higher ground in active trading.

Flour mills were reported in the market, covering against sales to the government for export. The commodity credit corporation reported purchase of 50,000 bushels of wheat at Kansas City and announced an increase of 1½ cents a bushel in the price at Galveston, Texas.

Oats advanced on a trading opinion that large quantities of that feed grain would not become available until after producers have delivered considerably more corn at near present prices.

Corn bookings were placed at 280,000 bushels and sales at 12,000 bushels. Bookings of oats were only 4000 bushels and sales 10,000 bushels.

At the close wheat was 1 cent to 2¼c higher than yesterday's finish, January $2.19. Corn was 1⅛ to 1⅜c higher, January $1.32. Oats were ½ to 1⅛c higher, March 77⅛-¼c. Barley was ¼c higher, March $1.23⅜.

CARNIVAL — By Dick Turner

"And now a word from Mr. Magellan Botts—I'm sure you'll all be interested in the fascinating little illusion he has perfected for getting out of the house of evenings!"

Youth Admits Local Thefts

Billy Tripp, 17-year-old Woodburn parolee, cleared up a dozen burglaries which have taken place here in recent days in a confession made to city police. Four of the break-ins occurred Sunday night.

Much of the loot from the burglaries, clothing, jewelry and some money and other valuables, was recovered at his home on the Old Fort road.

The youth was taken into custody at his house by a city police officer and taken to the police station where he readily admitted breaking into 11 business houses, one of them twice. He is in the hands of juvenile officials today and District Attorney Clarence A. Humble is considering taking him into circuit court rather than juvenile court. Tripp lacks three months of being 18 years old.

Places he admitted burglarizing include Raymond Dairy, twice; O. K. Transfer, Heilbronner Fuel company, Art's diner, Ball and Porter, Drake Lumber company, Sunrise tavern, Alvin W. Davis paint shop, Cascade Industrial Supply, Rees Blow Pipe company and the Steinseifer Distributing company. Most of the business houses are located on Spring street.

Tripp also told of entering three other places which were never reported to police, and said that he was trying to get money to go to Nevada.

The youth has a long juvenile record for small burglaries, and he was sent to the boys' training school at Woodburn on August 3, 1945, for burglary, according to juvenile office records. He was paroled last March 6.
