ENDS CONSTIPATION AFTER 30 YEARS

Eating famous cereal daily brought lasting relief

Wouldn't you welcome a way to end constipation, without harsh laxatives? Then read this sincere, unsolicited letter:

"I was constipated for thirty years and during that time took many kinds of laxatives. All I got was temporary relief. About five weeks ago I decided to try KELLOGG'S ALL-BRAN for breakfast every morning and since then I haven't had to take a single laxative. I can't tell you how glad I am that I heard about ALL-BRAN." Wilson Gibson, 397 West Valley St., Merrill, Ark.

You, too, may never have to take another laxative if you suffer from constipation due to lack of bulk in the diet. Simply eat KELLOGG'S ALL-BRAN every day—and drink plenty of water. Try it for ten days! If not completely satisfied with the results, send the empty carton to the Kellogg Company, Battle Creek, Michigan, and get double your money back!

KELLOGG'S ALL-BRAN is not a purgative but a wholesome food made from the vital outer layers of wheat. For best results eat as a cereal, or in muffins. Get KELLOGG'S ALL-BRAN at your grocer's today.
