Loosely Estate Is $34,000

The estate of Mary L. Loosley, who died at Medford January 2, has been tentatively valued at $34,000, according to a probate filing. The amount includes $30,000 real property. Mrs. Loosley was visiting her brother, James Culbertson of Central Point, when she became ill.

Mrs. Loosley left a will naming her son, Raymond Stewart Loosley of Fort Klamath as executor, and an heir. Other children and heirs are Forester Walling Loosley of Susanville, Merle John Loosley of Malin, Bessie Valentine Hartley of Prineville and Claude Frederick Loosley of Red Bluff.

Mrs. Loosley, widow of John Frederick Loosley, Fort Klamath pioneer, was 82 years old at the time of her death.

Drunk Driving Brings Charge

Horace Rodebush, 31, of 3007 Bisbee, arrested for drunk driving at the S. 6th street viaduct last night, pleaded guilty in police court this morning and was fined $100 and given a 30-day jail term, to be suspended on payment of the fine.

In the car with him at the time of arrest was Otto Arnold Rodebush, 24, of 3927 Bisbee, who was charged with being drunk and fined $10.

Thomas L. Lawrence, 1840 Oregon, was fined $5 for running a stop sign and having no tail light, and Eugene C. Herndon, 2726 Hope, posted $5 bail for running a red light on Main street. Six drunks and two Indian men charged with possession of liquor pleaded guilty in court this morning.

Canol To Be Junked Soon

WASHINGTON, Jan. 17 (AP)—Secretary of State Byrnes disclosed today that Canada has agreed to let the United States junk and sell piecemeal part of a $133,000,000 wartime white elephant — the Canol oil refinery and pipe line project.

Under a pact reached last Friday, the United States may sell all or part of Canol project No. 1 to the Canadian government or other buyers, remove what it can't sell, or merely abandon it.

The agreement, Byrnes said in a report to congress, covers a pipeline running from Norman Wells, Northwest territory, to White Horse, Yukon territory, a refinery at White Horse, and related facilities.

It does not cover Canol projects No. 2, 3 and 4—systems set up to distribute the refinery's finished products—because the army has not declared these surplus.

Byrnes reported an investigation disclosed it is doubtful that "any governmental or private agency will desire to acquire the pipeline and refinery for use in place."

Four Children Die In Apartment Fire

CHICAGO, Jan. 17 (AP)—Four negro children were killed and their mother and their brother were injured last night when a fire broke out in a four-story apartment on Washburne avenue on the city's southwest side. More than 30 tenants were routed by the blaze.

Mrs. Anna Hickman, 40, and two of her sons, Willis, 20, and Leslie, 14, leaped from their attic apartment, and Leslie was fatally injured. Firemen found the bodies of the other Hickman children, Alzana, 9; Sylvester, 7, and Valvana, 3, near a charred bed in the apartment where the fire was believed to have started. Their father, Willis, was at work.

Sheriff Launches Search For Man

Sheriff Lloyd L. Low is trying to locate a man named Otis Gunning, who was in Klamath Falls from the fall of 1943 until probably sometime early last year. His family in Bruceville, Tex., had a telegram asking for money in April, 1946, and have heard nothing from him since.

Anyone knowing where he is now is asked to contact the sheriff's office.

World production of oil multiplied 12 times from 1901 to 1938—from 160 million barrels to more than two million barrels.

Stock Market Forges Ahead

NEW YORK, Jan. 17 (AP)—The stock market today extended its recovery in all departments although industrials overshadowed Thursday's strong rails with advances of fractions to 2 or more points. A few "thin" issues enjoyed wider climbs.

During the greater part of the session dealings were among the slowest of the past six months. Demand became more insistent in the final half hour and the ticker tape picked up considerable activity on the late forward swing. Pivotal issues closed at or near the day's best marks. Transfers were in the neighborhood of 900,000 shares with the greater part of the 5-hour volume in the concluding period.

Favored were U. S. Steel, Republic Steel, General Motors, Schenley, American Distilling, Santa Fe, Great Northern, U. S. Rubber, Goodrich, Montgomery Ward, North American, Eastman Kodak, Union Carbide, Dow Chemical, American Smelting, Air Reduction, American Can and U. S. Gypsum. Numerous pivotals showed small variations either way or were unchanged.

Wheat Shows 3 Cent Break

CHICAGO, Jan. 17 (AP)— A break which extended at times to more than 3 cents in wheat paced a general downturn in grain prices today. Trading was slow at the start but expanded sharply around noon when heavy selling entered the bread cereal pit.

Touching off the wheat selling was an announcement by the Kansas City office of the commodity credit corporation that it would accept wheat for export at the present price scale up to noon tomorrow. There was no information as to what price would prevail next week.

Traders feared this meant a reduction in the government buying price, which currently is $2.07 a bushel for No. 1 hard wheat in store at Kansas City.

Oats and corn followed wheat lower, although the January corn contract showed good resistance to the decline.

Wheat closed 1½-3½c lower, January $2.14.
