

50 Per Cent Of Spuds Left

Preliminary information based on potato shipments, diversion for feeding and general losses, to date, by Ross Aubrey, in charge of state-federal shipping point inspection and C.A. Henderson, county agent, indicate approximately one-half of the potato crop of the Klamath basin still remains to be sold. Up to January 1, a total of approximately 3,500,000 sacks of potatoes had been disposed of or destined to be processed or fed to livestock during the winter months or was lost due to cellar deterioration. Of this amount, slightly over 2,100,000 sacks were shipped with approximately 2,200,000 sacks remaining to be shipped, not considering about normal losses to stored potatoes that may occur during the next four months. This information indicates that potato shipments should be in the neighborhood of 500 to 1000

cars less than those shipped from the 1945 crop.

New Pine Creek

This Saturday evening all new members of the East Side grange who have not had the first or second degrees will go to the West Side, where these degrees will be given jointly with that grange. A potluck supper will follow afterwards and a social hour will be enjoyed. Word was received by Bill Allen Tuesday that his father-in-law, Charlie Larkin, had passed away at Santa Rosa, Calif., where he was visiting with his son, Bill, and family. Mr. Allen was also visiting there at the time. Larkin was well along in the 80's and had been a resident of New Pine Creek for 40 years or longer. Charlie will be missed by his many friends who knew him for so many years. He was also an ardent prospector of the high grade mining district and looked forward to having his prospect develop into a good paying mine. Mr. and Mrs. Charlie Vincent returned Sunday evening from a several day visit in Susanville. Mr. and Mrs. Winifred Gooch

were visitors in Cedarville last Monday. The younger Mr. Maynard Gooch, who has spent five months in Germany and in the service nearly four years, visited here with Mr. and Mrs. Winifred Gooch last week. His young wife was also with him. They left Saturday for Salt Lake City, where he plans to buy a car.

Mr. William Smith and son Aury, Edwin Madison and son of Willow Ranch, Helen Smith, and daughter visited during the week-end with Mr. Smith's sister, Mrs. May McMullen and Mrs. Bee Grigsby, at Cedarville. A brother was also visiting there from Salt Lake. His name was A. O. Smith.

Irvin L. Paris had the misfortune to take a bad skid on the icy lane by Clay Lawson's place last Sunday morning at about 11:30. His car began to wobble on the ice right after he made the Converse corner. He touched the over-sensitive brakes of his Buick, locking all four wheels, throwing the car out of control, and the heavy car seemed to pick up momentum as it skidded off the road and half around into a large poplar tree. The damage to the car which was covered

by insurance was roughly \$300. Paris was badly shaken-up and bruised so he was incapacitated for a few days.

Miss Dorothy Johnson left Sunday for Medford where she will visit for some time with Mr. and Mrs. Bud Netherland, and family, former residents of New Pine Creek.

Mrs. Carmen Fleming entered the Lakeview hospital on Monday for medical attention.

Mr. and Mrs. Herbert Rich and daughter, who lived here about eight years ago, were in town on Tuesday of this week. Mr. Rich has been operating a tavern at DeLake, Ore., for some time, but has recently sold out, and plans to go to Sandpoint, Idaho, looking for a location.

New Pine Creek high school students who went to Burns for the Lakeview-Burns basketball game on Saturday were Mildred McLain, May Benefiel, Helen Sanford and Susan Paris. Cliff Turpin and Hilton Cundiff drove the high school bus to Burns for the event.

Among the New Pine Creek residents who went to Ft. Bidwell for the young people's dance last Saturday night were

Mr. and Mrs. Emel Risley, Mr. and Mrs. Lute Miller, Miss Dorothy Benefiel and Miss Joanne Harris.

Fort Klamath

Mrs. Frank Edwards is recovering satisfactorily at home here from a severe attack of pneumonia. Mrs. Kenneth Morris, daughter of Mr. and Mrs. Edwards, is here from her home at Tehama, Ore., caring for Mrs. Edwards during her convalescence.

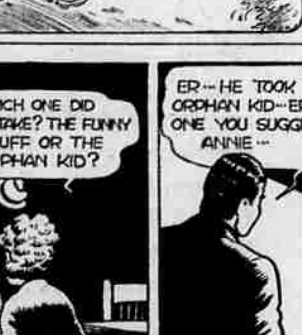

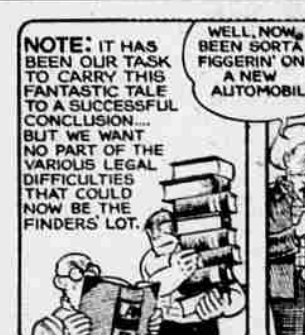

Mrs. Bert Gray returned Saturday from a week's visit with her mother, Mrs. Fanny Tower, at Lebanon, Ore.

Mr. and Mrs. William C. Hacker were Klamath Falls visitors on Wednesday.

The regular meeting of the local home economics extension unit was held Wednesday afternoon at the home of Mrs. Frank Denton at the Denton ranch, and was well attended. The making of yeast bread and rolls was demonstrated by Mrs. R. O. Varum and Mrs. Delbert Denton, and at noon luncheon was enjoyed by all present.
