Warm Winds Melt Snow

Ice and snow melted throughout Sunday when the mercury hit a high for the week of 49 degrees, but a drop to 24 degrees by 4 a. m. today left a new layer of ice throughout the Klamath basin.

Oregon highways were improved by rain and higher temperatures in some sections of the state, but ice and snow remained on the mountain roads leading out of Klamath Falls. Odell lake reported 30 degrees, some light snow and rain Sunday night, with packed snow and slush across the summit. Snow removal equipment was operating this week-end on the Willamette pass as well as on Sun mountain. Patches of packed snow remain on the Greensprings highway but all stretches are sanded, according to the state highway report.

Tulano Farms Buys Land Tract

A large tract of land in the Klamath drainage district near Worden, owned by the M. Zuckerman corporation, has been sold to Dick Henzel and associates, operators of Tulana Farms, a filing of deeds in the county clerk's office reveals. Revenue stamps indicated a purchase price of about $51,000.

The land lies in the reclaimed area of Lower Klamath lake off the Weed highway. For the past two years Tulana has been farming the land on lease. Acreage in the land transaction was not disclosed.

Tule Men Pay Game Violation Fines

ALTURAS, Jan. 20 — Two Tulelake men have been arrested on game violation charges with resultant fines, according to Don Davidson, local game warden.

Walter Winslow was accused of killing a deer out of season and paid a $25 fine.

Olen Riley of Tulelake was charged with taking deer in closed season, taking a spike buck, and killing deer with a .22 rim fire rifle. He was fined $100.

Seattle Youths Cow-Country Bound

PORTLAND, Ore., Jan. 20 (AP) Three Seattle boys riding horses were believed en route here today from the Puget Sound metropolis where police said the only explanation for the trip appeared to be a desire to get nearer the cowboy country.

Oregon state police were asked by Washington patrol headquarters to watch for the youngsters, Leonard Skinner, 14, Donald McAbby, 16, and Alex Kibbzoff, 14, missing since January 16.

Buying Offer Stirs Wheat

CHICAGO, aJn. 20 (AP)—Announce-
CHICAGO, Jan. 20 (AP)—Announcement that the commodity credit corporation would pay $2.05 a bushel for wheat in store at Kansas City created a short-covering movement in the January wheat contract on the board of trade today.

At one time the nearby wheat delivery was up more than 3 cents. Other bread cereal deliveries were firm, receiving support from commercial interests. Corn advanced fractionally with wheat but oats held within a narrow range.

Wheat closed 1 to 3½ cents higher. January $2.17.

Profit Cashing Kills Market

NEW YORK, Jan. 20 (AP)—The recent stock market upswing, following restoration of margin trading, ran into profit cashing trouble today and leaders, with scattered exceptions, retreated to the casualty division.

Aside from an occasional active flurry, dealings were relatively slow throughout. The direction was downward from the start but timid support eventually arrived and reduced extreme losses of 2 or more points in assorted cases. Most recoveries failed to hold and many pivotals closed at or around the day's lows, with a few "thin" issues off 3 or so. Transfers for the full stretch were around 900,000 shares.

On the losing side were U. S. Steel, Youngstown Sheet, Chrysler, U. S. Rubber, Montgomery Ward, International Harvester, Caterpillar Tractor, American Telephone, Kennecott, American Smelting, Dow Chemical, Du Pont, Union Carbide, Johns-Manville, U. S. Gypsum, Schenley and Great Northern.

Bonds were uneven, with low-quoted rails in supply. Grains rallied after an early dip.
