## PEOPLE ARE ASKING THESE QUESTIONS ABOUT ARMY ENLISTMENT

**Q. What educational benefits do I get under the GI Bill of Rights?**  
A. If you serve honorably on active duty for a period of 90 days, one day of which is served between September 16, 1940, and the date of termination of the present war, or you are discharged because of an actual service-incurred injury or disability incurred within that first 90-day period, you are, upon discharge, entitled to one year of education in the college, trade or business school of your choice for which you can qualify. In addition, each month of active duty, including the first three, prior to the end of the war, entitles you to another month of post-service education, up to 48 months. Your tuition, laboratory fees, etc., up to \$500 per ordinary school year will be paid by the government. Also, you will receive \$65 a month living allowance; \$80 a month if you have dependents.

**Q. What about family allowances?**  
A. For men enlisting or reenlisting now, family allowances will continue until six months after the war is officially ended.

**Q. What are my chances of going overseas?**  
A. If you enlist for 3 years, you may select to serve in any overseas theater which has openings, especially Japan or Korea.

**Q. Can I still choose the branch of service I want to serve in?**  
A. Yes. You can pick any branch which has quotas to be filled, if you enlist for 3 years.

**Q. Is there any way I can reenlist in my old grade?**  
A. Yes, you can, if you reenlist for a 3-year term within 20 days after your honorable discharge.

**Q. Is there any other way I can reenlist in grade?**  
A. Yes, if you held one of certain military occupational specialties, and were discharged on or after May 12, 1945, you can reenlist in a grade depending on the length of time you held the desired M. O. S.

Visit your nearest U. S. Army Recruiting Station for answers to any other questions you may have, or for further details on the above questions.
