Stock Market Shows Gain

NEW YORK, Jan. 28 (AP)—Emphasis remained on the recovery side of today's stock market with selected steels, motors, rails, coppers and pivotal industrials adding fractions to around 1 points.

While slowdowns were plentiful after a hesitant opening, activity picked up at intervals as more urgent bids arrived. Transfers of about 1,000,000 shares for the full proceedings were among the best of the past two weeks. Profit taking on Monday's late rally made for considerable irregularity in the forenoon. Thereafter the direction generally was upward. Top marks were shaded here and there at the close and minor losses persisted.

In the gaining division were U. S. Steel, Bethlehem, Chrysler, General Motors, Woolworth, Kennecott, Phelps Dodge, American Smelting, Santa Fe, Norfolk & Western, Du Pont, Pepsi-Cola and Eastman Kodak.

Coppers were aided by the action of American Smelting in boosting the price of the red metal a cent a pound.

Reorganization railway bonds strengthened. Cotton futures toward the last were up $1.15 to $1.70 a bale.

Grain Futures Stage Advance

CHICAGO, Jan. 28 (AP)—Grain futures advanced sharply at the board of trade today on prospects of heavier exports. Mixed at the opening futures started a steady advance on pessimistic European crop reports.

Short covering in the wheat pit aided the rally as did a report that a French mission was in Washington seeking permission for additional wheat and corn purchases.

Offerings in all pits were light and what profit cashing developed was easily absorbed, until near the close, when best levels were not maintained.

Corn bookings were placed at 205,000 bushels with sales at 13,000 bushels. The commodity credit corporation announced purchase of 825,000 bushels of corn here yesterday.

At the finish wheat was ⅞ to 1⅞c higher than yesterday's close, March $2.10-2.09⅞.
