

OPA To Validate Ten Pound Sugar Stamp Good April 1

WASHINGTON, Feb. 6 (AP)—The OPA will validate another sugar stamp April 1 good for 10 pounds instead of the usual five. This ration will cover both canning and regular home use.

The price agency also announced that stamp No. 53, currently good for five pounds, will expire at midnight March 31 instead of April 30 as originally planned.

All subsequent stamps will be good for 10 pounds, OPA said.

An OPA official told a reporter two factors governed revision of the rationing procedure. These, he said, are:

1. By making each new stamp good for 10 pounds, OPA will save the expense, estimated at around \$1,500,000, of issuing new sugar ration books. After recently good for five pounds, will contain only four and OPA wants them to last through the year and possibly beyond.

2. The change will prepare OPA to handle any increase in the year's total sugar rations for household use.

Secretary of Agriculture Anderson has said sugar imports may be sufficient to allow an increase of as much as 10 pounds in the annual ration. This would bring the 1947 total to 35 pounds as against 25 pounds last year.

US Newsmen Seek Red Trip

BERLIN, Feb. 6 (AP)—American correspondents in Berlin today formally renewed a request to Russian authorities for permission to visit the Soviet zone of Germany.

Newsmen of the western allied nations last visited the Russian zone in mid-September to observe local elections. Since then their repeated requests have encountered one formal rejection on the grounds that it would be "dangerous" to travel in the zone while the Soviet army was conducting redeployment operations.

Y's Men's Club Holds Meeting

Phil Hitchcock was the speaker of the evening at a meeting of the Y's Men's club held last night at the Red Rock, in Waco. Hitchcock spoke to the members of the club on the necessity of Christian leadership in the world today.

A report was heard from the building committee, and it was pointed out to members that as yet the YMCA in Klamath Falls has no building where activities may be carried on.

The possibility of joining with the Medford Y next summer and putting up a boys' camp at Little Square lake was discussed, and a report was heard concerning last week's World Youth Movement Fund meeting in Ashland.

A concerted membership drive was started to gain memberships in the Y's Men's club, the service club of the YMCA.

Carol Drake's Potato ways

FROSTED STUFFED POTATOES—Potatoes make a main dish and use left-overs when dressed up this way.
Cut large baked potatoes in half lengthwise, or remove a slice from top. Remove centers; mash thoroughly; add seasonings and hot milk, beating until fluffy. Fill shells with creamed chicken, eggs or sea food, or little pig sausages or frankfurters. Pile mashed potatoes on top. Brown in hot oven (450 degrees F.) 10 minutes. For attractive browning, brush with slightly beaten egg yolk or paprika before returning to oven.

SHREDDED-FRIED POTATOES—This quick addition to a hurry-up meal looks like a large crusty pancake.
Heat a generous amount of shortening or drippings in a heavy frying pan; add coarsely shredded, peeled raw potatoes, allowing one potato for each person. Season to taste. Cook at medium heat until browned. Cut through the center and turn each half carefully to keep shape; brown on second side. Remove to hot plate and serve at once cut in pie-shaped wedges.

CRUSTY FRENCH-FRIED POTATOES—These take less shortening than most French fries.
Slice 6 peeled potatoes into thin slices—they're easier to fry in shallow fat than are long strips. Put in very cold, salted water for few minutes, drain and dry thoroughly. Drop potato slices, a few at a time, into 2 inches of hot shortening; cook until done and browned, about 2 minutes. Drain on absorbent paper and sprinkle with salt. Place in single layer in moderate oven (350 degrees F.) to keep warm while remainder are being fried. Serves 6.
