## Speaker

Frank Branch Riley, well known Portlander, will speak before the Rotary club Friday night at the Willard hotel. This meeting replaces the usual Friday noon luncheon and Tulelake Rotarians and wives are invited.

## Lawyer To Speak Here

Frank Branch Riley, Portland lawyer and nationally famed lecturer, will be the principal speaker before the Klamath Falls Rotary club Friday at 6:30 p. m. at the Willard. Also invited to attend are Tulelake Rotarians and their wives.

Riley, authority on the life and times of Lincoln, will give a Lincoln address and this particular talk has been featured in annual observances of Lincoln's birthday in many Pacific coast cities. Following his appearance at an all-Seattle Lincoln Day banquet last year, the Seattle Times declared:

"If he can be persuaded to come again, it will be difficult to find a banquet hall sufficiently large to accommodate the crowds."

Also invited to the Friday night banquet, which takes the place of the usual Friday luncheon, are the presidents and secretaries of other southern Oregon Rotary clubs.

**CARD OF THANKS**

## Crater Lake Storm Ends Suddenly

The storm which swept through Crater Lake national park Wednesday stopped as suddenly as it descended and as a result of the new snowfall skiing was reported today as being "quite good." Roads in the park are open and chains not required as plows have cleared the roads.

Very little snow fell Thursday morning but it was clear and crisp with a temperature reading at 8:30 a. m. of 22 degrees. There is a light crust on top of 108 inches of packed snow but the prospect for week-end sports was good, park officials advised.

**AIR MAIL TIED UP**  
FRANKFURT, Germany, Feb. 13 (AP)—If you're not getting any mail from soldiers in Germany, it is because six tons of air mail have piled up here owing to bad weather. No air mail has left this theater for America since Feb. 8, the army said today.
