GOP House Leaders Open Drive To Prevent Any Amendment To Budget Cut

WASHINGTON, Feb. 17 (AP)—Republican house leaders announced today they will try to prohibit any amendments to a proposal for a $6,000,000,000 budget slash, and Rep. Cannon (D-Mo.) immediately raised the cry of "gag."

Rep. Taber (R-N. Y.), chairman of the senate-house budgetary committee, told reporters following a top-level republican house conference that he plans to ask the rules committee for a rule under which no amendments could be presented when the resolution comes up on the floor Thursday.

Taber said this would necessitate the house either voting outright approval or disapproval of the $6,000,000,000 cut in President Truman's original budget proposal of $37,500,000,000.

He added that the resolution will be debated for four hours before a vote is called.

Taber explained that it was decided to place the resolution before the house Thursday, instead of Wednesday, as originally planned, so that a republican conference could be held Wednesday. Purpose of the conference, he added, will be "to acquaint the membership on the actual situation."

Cannon, on learning of the republican plans, told reporters he would fight the rule foreclosing the presentation of amendments.

"It would be a gag," he said. "On such an important matter the house should have an opportunity to act as the majority desires."

The Missourian is former chairman of the house appropriations committee.

The republican strategy was arranged at a meeting of Speaker Martin (R.-Mass.), Chairman Allen (R-Ill.) of the rules committee, Rep. Wigglesworth (R-Mass.), appropriations committee member, and Taber.

Prior to Taber's announcement, Senator Taft (R-Ohio) asserted that congress can cut income taxes by $3,500,000,000 even if it doesn't vote the full $6,000,000,000 budget cut.

Grain Price On High Level

CHICAGO, Feb. 17 (AP)—Grains moved over a wide price range in a broad, active trade today. Changes in trends were frequent and they produced a highly nervous market at times.

At the best level, wheat had gains extending to more than 5 cents in the May contract. This delivery moved into new high ground for the season. September wheat was comparatively weak and March did not reach the 27-year peak established Saturday.

Advices from Minneapolis said cash wheat was 4 to 5 cents a bushel higher. Mills instructed their representatives to withdraw offerings of flour there until after the wheat market's close, when a new selling price schedule was expected to be issued.

Wheat closed ¾ lower to 5¼ higher, March $2.34¼-2.35.

Major To Tell Mac Of Theft

FAIRFIELD, Calif., Feb. 17 (AP) — Col. Edward J. Murray, former custodian of the Bank of Japan, was en route back to General MacArthur's headquarters today to explain how Japanese gems worth $210,000 came into his possession and why he smuggled them into the United States.

When arrested in San Francisco recently by U. S. customs officials, upon his return from overseas duty, the colonel said he regarded the gems—mostly diamonds—as "legitimate" war souvenirs.

Col. Murray, 55, veteran of both World wars, was being returned to Japan under technical arrest and in custody of army and U. S. customs officers. They departed yesterday from the Fairfield-Suisun army air field.

Meters Taken Off Street

At the order of Police Chief Orville Hamilton, the eight parking meters at the corner of Main and 10th, in front of the Evans apartment building, were detached during the fire Sunday.

This was done, Hamilton explained, to make room for fire fighting equipment. For a while it was thought, he said, that it might be necessary to knock out the walls of the building to get at the blaze and facilitate the rescue work.

The entire distance from 9th to 11th on Main and from Main to Pine on 10th was roped off by the police department right after the blaze was reported, and will continue to be restricted to motor traffic all Monday, Hamilton said. Scaffolding is being erected about the walls of the gutted building to prevent accidents from falling debris and to aid in the salvage work.

Six Injured In Bus-Car Collision

COOS BAY, Ore., Feb. 17 (AP) Six bus passengers were injured slightly when a northbound San Francisco - Portland Greyhound bus overturned in a ditch four miles south of here yesterday.

State police headquarters reported the bus driver, Charles Johnson, 37, Coos Bay, said a truck was passing the bus and hte two vehicles locked wheels. The driver of the small truck, Jerry Ford, 21, reported the truck was thrown against the bus when he struck a soft road-shoulder.

POTATOES

Basin Potato Shipments In Carloads

	1947	1946
Feb. 14	47	48
Feb. to Date	551	471
Season to Date	7757	8983

Salable sheep 450, good-choice lambs quoted $24.00-75; medium-good ewes $6.50-8.50; nothing scaled early.

Market Shows Recovery

NEW YORK, Feb. 17 (AP)—Announcement that the supreme court would hand down no decision in the John L. Lewis case at this time brought a brief active recovery flurry in today's stock market.

Apathy ruled during the greater part of the proceedings as traders stood aside on the possibility a ruling on the coal union case might precede the two-weeks' recess of the high court. The pace quickened for an interval as selected issues added fractions to 3 points or so. Dalings then reversed to sluggishness and top marks were shaded in the majority of cases at the close with a smattering of minus signs persisting for pivotals. Transfers ran to around 900,000 shares.

Bolstering sentiment was the further flow of pleasing quarterly payments and earnings, hopes for tax relief and improvement in the recently weak London market. Numerous skeptics of world affairs and domestic business, however, trimmed commitments or held aloof.

Brokers reported public participation marketwise was at a minimum with professionals still accounting for most of the activity.

Rallying commodities aided stocks. Cotton, approaching the finish, was up $1.10 to $1.95 a bale.

Rearing the average child in the average family until it is 18 costs its parents approximately $7200.

Firemen, Blaze Victims Served Food By Cafe Owner

By JOY BIGGS

Mrs. Harold (Jennie) Tolson of Jennie's cafe, proved herself a Good Samaritan yesterday in the Evans apartment fire disaster, serving coffee and doughnuts all day to helpers and fire victims.

Jennie accepted no money for coffee and meals served to firemen, volunteer fire fighters, Herald and News staff members and those who escaped in night clothes from the blazing apartment house, just across Main street from the cafe.

Mrs. Margaret Hampel, 419 N. 10th, employe of Jennie's cafe, was coming to open the cafe at 6 a. m., when she saw the flames and smoke. When she arrived, 10 pajama-clad residents of the burning apartment house followed her into the restaurant and she built up the fire to warm the survivors and made coffee immediately.

Mrs. Lucile Warner was the first to come in. She had arisen to go to work at the Pelican cafe where she is employed as chef, when she heard the crash of glass and thought it was the garbage collector, she told Mrs. Hampel. When she opened her apartment door into the corridor she saw the smoke and flames, seized a coat to throw over her night clothes and escaped down the back way yelling "fire" all the way. The regular entrance was already cut off by the blaze.

Mrs. Hampel phoned Jennie who called all cafe employes to assist in feeding the people who filled the restaurant. Two men carried Mrs. Percy Evans from the veranda and brought her into the kitchen where she stayed until a cab took her to the home of her sister-in-law, Mrs. Sidney Evans.

Everyone behaved very calmly, Mrs. Hampel reported, although some broke down when their friends came for them. Most of the burned out apartment residents were taken home with friends.

Jennie started serving coffee and meals without charge as soon as she was informed of the disaster, and about 9 a. m., Otto Smith, Klamath County chapter chairman of the Red Cross, asked that the cafe continue this service throughout the day, with the cooperation of the Red Cross on expense involved.
