

Rent Questions Answered In Book

Answers to the questions most frequently asked about rent control are now available in a small booklet that covers points of interest to tenants and to landlords. It was announced by the

Klamath Falls defense rental office today.

Copies of the pamphlet, called "Some Answers to Questions About OPA Rent Control," may be had without charge at the local rent office in the Willits building at 432 Main street.

"This booklet will be helpful not only to persons who have

specific rent problems but also to all tenants and landlords," a representative of the local rent office said. "Many persons are not acquainted with the details of rent control that they should know for their own protection."

Churchill's Son Critiques Nation

CORVALLIS, Feb. 20 (AP)—The plight of displaced persons is a disgrace to the allies and evidence of weakness of the United Nations, Randolph Churchill, son of Britain's war-time

prime minister, said last night. Churchill said all 55 United Nations were for "closing their doors" to the Palestine crisis and "passing by on the other side" while criticizing England for the mess in the Holy Land.

Hindenburg became president of Germany at the age of 78.
