Gilchrist To Give Comedy

GILCHRIST, Feb. 24 — The Gilchrist high school is putting on a comedy, "Who Is Mrs. Chimpie?" Friday, February 28, at 8 p.m. in the high school gymnasium.

"Who Is Mrs. Chimpie?" She runs a rooming house in Hollywood. Her clientele is a group of aspiring Hollywood stars, writers and such, most of whom have never arrived professionally and are somewhat behind in their rent. Scoffing at their inability to make the grade, Mrs. Chimpie has made the boast that she could "crash the impregnable gates" at any time she chose to do so.

Only a few people inquire about Mr. Chimpie, who is gentle, henpecked and likeable. Following are members of the cast:

Millicent Walters Violet Freeman
Vickie Clark Joyce Griffin
Max Elton Larry Arent
John "Butch" Lee Bob Periman
Mrs. Chandler Reeves Chimpie
Ruth Kunderling
Allen Goddard
Samuel Blitman
Miss Renee Adair Emma Chavez
Mary Owen Eileen O'Connor

Deafened People May Now Hear Clearly
Science has now made it possible for the deafened to hear faint sounds. It is a hearing device so small that it fits in the hand and enables thousands to enjoy sermons, music and friendly companionship. Accepted by the Council on Physical Medicine of the American Medical Association. This device does not require separate battery pack, battery wire, case or garment to bulge or weigh you down. The tone is clear and powerful. So small that you can adjust it yourself to suit your hearing as your hearing changes. The makers of Beldone, Dept. 8112, 1450 West 19th St., Chicago 8, Ill., are so proud of their achievement that they will gladly send free descriptive booklet and explain how you may get a full demonstration of this remarkable hearing device in your own home without risking a penny.
