Truman Lauds U. S. Press

WASHINGTON, March 3 (AP) The American press was praised by President Truman Friday as "doing a valiant service in educating us to understand we must live" within one world.

Mr. Truman, in presenting the annual Wendell Willkie awards for outstanding work in negro journalism said the press "has outgrown the provincialism, the narrow isolationism, of another era" and has "accepted as its province Wendell Willkie's 'one world.'"

The president presented $250 cash awards to the Norfolk, Va., Journal and Guide, in recognition of its public service to the community; to Ralph Matthews, editor of the National Bureau of Afro-American Newspapers, for the best objective news reporting, and to William O. Walker, editor of the Cleveland Call-Post, for individual writing on other than news.

Fire Destroys 12 Race Horses

HOT SPRINGS, Ark., March 3 (AP)—A groom burned to death and approximately 12 thoroughbreds perished in a fire which destroyed two stables early Saturday at Oak Lawn race track.

The groom was tentatively identified by Police Sergeant Pon West as Junior Kindell, about 21.

Oak Lawn is in the midst of its annual 30-day racing season, and approximately 700 horses were led to safety. Others broke loose. Several wandered into the downtown section of Hot Springs.

Stock Market Steadies

NEW YORK, March 3 (AP)—Another postponement by the supreme court of a decision in the John L. Lewis case apparently steadied the stock market today although there was no follow-through and many leaders remained in the minus column.

While a few "blue chips" climbed after the opening, the general direction was lower. Steels improved a shade in the fourth hour and modest gains appeared in other sections.

There were subsequent mild retreats with dealings relatively sluggish throughout. Moderate irregularity prevailed at the close. Transfers were in the vicinity of 750,000 shares.

Splitup talk put up Eastman Kodak 6¾ points to 242¾. Allied Chemical added 2 at 174. Advances were rewarded by Bethlehem, Republic Steel, Montgomery Ward, American Airlines, Southern Railway, Texas Co., General Electric and Union Carbide. A hoist in the price of copper to 21½ cents a pound, highest level since 1929, did not buoy most stocks in this group.

Bonds were uneven. Cotton, toward the finish, was off 25 cents to $1.35 bale.

Grains Hit Profit Taking

CHICAGO, March 3 (AP)—Grains ran into persistent profit-taking on the board of trade here today and were not able to hold an early upturn which carried March wheat to a new 27-year high at $2.64.

Trading was less active than in the hectic sessions of last week. There was nothing in the news to cause any appreciable selling but most grain experts had a cautious attitude toward the market in view of the recent sharp advance.

Wheat closed 2 cents lower to 2 cents higher, March $2.58¾-2.59, corn was ⅝c lower to ⅛c higher, March $1.57¾-½, and oats ⅝c lower to 1⅛c higher, March 87¾-⅝c.

In New York, flour mills advanced prices of flour by 5 to 10 cents a hundred pound sack. This followed upon advances of 15 to 25 cents on Saturday.
