'Denny' Moore Death Reported

Glen Moore, better known as "Denny" Moore, formerly of Klamath Falls and Tionesta, Calif., died in Grants Pass Friday. Funeral services will be held in that city on Tuesday.

Mrs. Moore and their two small daughters, who were visiting her parents, Mr. and Mrs. Tom Moulton of S. 6th street, left Saturday morning for Grants Pass. Surviving in addition to his wife, Wanda, and two daughters, Gayla and Terry Sue, is a brother in southern California.

Stock Market Remains Slow

NEW YORK, March 10 (AP)-Selected stocks made feeble stabs at recovery in today's market although many leaders continued to stumble.

Slow dealings prevailed after a moderately active opening. Narrow irregularity persisted until the final quarter hour when offerings picked up a bit. Declines of fractions to a point or so were in the majority at the close. Transfers ran to around 800,000 shares for the full proceedings.

Word that President Truman would address a joint session of congress Wednesday on the Near East situation tended to accentuate Wall street conservatism. Doubts regarding business, taxes and foreign affairs kept the bearish ranks well populated.

Bonds were uneven. Cotton, toward the last, was up $1.90 to $32.40 a bale.

Grain Price Soars Today

CHICAGO, March 10 (AP)—Grains soared in a run-away market on the board of trade today.

March wheat and March oats reached new highs since 1920. All other deliveries of wheat and oats, and all deliveries of corn, except March, hit new seasonal peaks.

Gains extended to 10 cents in wheat, 8 cents in corn and 6 cents in oats. Successive buying waves swept into the pits, forcing prices to new peaks throughout the session.

In cash markets, wheat was quoted as much as 7 cents higher at Minneapolis.

Chief support for the advance was the same as in all recent sessions, the need for mills to obtain wheat coupled with the small available commercial supply. Large exports of wheat and corn were the fundamental factor in the buying.

In the closing minutes all wheat deliveries reached the 10 cent daily limit. March corn was up its 8 cents daily limit and May and July oats their 6 cent daily limit. Final prices were slightly below the day's best levels.

Wheat closed 9⅞ to 10 cents higher, March $2.73⅞; bread prices were being upped throughout the country.

Wheat flour was raised 10 cents a sack in New York.
