

Denton Final Rites Held

FORT KLAMATH, March 14 (AP)—Funeral services for the late George M. Denton, pioneer Wood River valley rancher and stockman, were held Wednesday afternoon at 2 o'clock at the Earl Whitlock chapel in Klamath Falls. Many old neighbors and friends, both from Fort Klamath and outside points, were in attendance, as well as close relatives.

Rev. James Zeller of Williamson River and Fort Klamath churches officiated, with two vocal numbers being sung by Carl Hagel, soloist, accompanied at the piano by Ruby Hlatt, including "Good Morning, Up There" and "Near to the Heart of God."

Pallbearers were chosen from past masters of Klamath county granges. Mr. Denton having been elected the first master of Fort Klamath grange on its organization here several years ago, and having always been active in grange affairs. Past masters acting as pallbearers included Hansford T. Williams of Fort Klamath, Seldon Kirk of Williamson River, M. L. Ferguson of Chiloquin, Samuel Ray of Modoc Point, Fred G. Brown of Crystal, Ore., and John Marshall of Lost River.

Interment was made in the family plot at the Klamath Memorial Park, with members of the Masonic lodge conducting the beautiful, impressive concluding graveside service. Assisting were William C. Hackler and William A. Page of Fort Klamath, members of the Masonic lodge at Chiloquin. Mr. Denton was a Master Mason,

member of the Masonic lodge of Naches, Wash.

The passing of George M. Denton marks the loss of another of Wood River valley's esteemed pioneer residents. He was born in Jacksonvile, Ore., May 5, 1876, and had been resident of Fort Klamath for 44 years, having been engaged in ranching until a few years ago, when his main ranch property was sold to George Kerns of Klamath Falls. Mr. and Mrs. Denton have since that time operated an auto court and picnic grounds at the Denton park, location of the old swimming hole, situated across the road from the former Denton ranch, five miles north of Fort Klamath on Crater lake highway, and a very popular outing spot in summer.

Mr. Denton owned several head of horses, which he brought from the Denton park last fall to the Alvin Copeland barn and kept there for winter feeding. It was while he was in the hay-snow feeding the stock on Saturday afternoon that he was stricken with the heart attack which took his life. As it was not unusual for Denton to stay at length with the horses, nothing was thought amiss until several hours later when, upon investigation, his body was found in the haymow.

Left to mourn his passing are his widow, Mrs. Olive Denton of Fort Klamath; two daughters, Mrs. Daisy Wittie of Grants Pass, Mrs. Esther Boyd of Naches, Wash.; two sons, Keith of Somers, Wash., and Albert of Portland, Ore.; three brothers, Frank of Fort Klamath, Lee S. of Grants Pass, and William I. of Yakima, Wash., in addition to 10 grandchildren and two great-grandchildren.

Guerrillas Fire On UN Team

ATHENS, March 14 (AP)—The Greek press office announced today that a United Nations investigating commission team was fired at by guerrillas today while en route through western Macedonia to Albania. No one was hit.

The announcement said army units dislodged the guerrillas from mountain heights dominating the road into Kastoria and dispersed them.

The general staff said 42 guerrillas were killed and two wounded in a clash between government troops and insurgents near Arisa, and that 12 other guerrillas were killed and nine wounded in minor operations.

Press dispatches from central Macedonia said about 100 insurgents were killed and many wounded or captured in mopping up operations there.

German Dogs To Join U.S. Army

BREMEN, Germany, March 14 (AP)—One hundred German shepherd dogs, who have joined the United States army embarked today on the first leg of a 14,000 mile trip to Korea.

The canine recruits will go first to the Aleshire quarter-master depot at Fort Royal, Virginia, for a month of preliminary training and inoculations.

It was understood here that in Korea the dogs will be further trained by the American occupation forces and used largely for sentry duty, including the guarding of American dependents' homes.

20 Per Cent Of Wheat In Storage

SPOKANE, March 14 (AP)—Twenty per cent of the Pacific northwest's wheat crop or upwards of 28,000,000 bushels remains in storage in elevators and warehouses of the area, estimates based on field surveys just completed by the Pacific Northwest Grain Dealers association, indicated today.

Pete Stallcop, managing secretary of the association, said that of the total still in storage, only 10,000,000 bushels remain unsold. About 18,000,000 bushels are sold but have been delayed in delivery by the freight car shortage, he said.

Gilchrist

Gilchrist experienced its first fire alarm in many months on the morning of March 7. The fire broke out under the eaves of Doc Warren's home at 7:30 a. m. The fire was put out efficiently and expertly by the Gilchrist fire department. Very little damage was done.

Rev. John Morange, pastor of Gilchrist Methodist church, returned Saturday from his long-deserved vacation visiting with friends in Seaside, Ore. The congregation enthusiastically welcomed Rev. Morange Sunday morning. Dr. Gill of Portland, district superintendent, filled the pulpit during Rev. Morange's absence.

The sophomores of Gilchrist high school will have on display this week their "Twin Special," a pen and pencil set which is to be given away March 19. The black and gold set was purchased in Bend last Wednesday by Gloria Hyatt, the class president. Tickets are being sold by all members of the class.
