Market Shows Minor Rally

NEW YORK, March 15 (AP)—Prices recovered mildly in parts of today's stock market with a little buying and short covering based on the idea the list may have been oversold.

While declines running to 2 points or so were widespread near the close, modest plus signs persisted. Numerous pivotals were unchanged. Transfers were around 400,000 shares against 740,000 last Saturday.

Occasional gainers included Great Northern Railway, Bethlehem, Sears Roebuck, International Harvester and Anaconda.

On the downside most of the time were Youngstown Sheet, General Motors, U. S. Rubber, Goodrich, Woolworth, American Telephone, American Can, Union Carbide, Johns-Manville, Southern Railway and Norfolk & Western.

Public customers generally remained on the sidelines pending more light on foreign affairs, taxes and business trends.

Bonds were narrow. Commodities exhibited considerable nervousness.
