Stock Market Still Slow

NEW YORK, March 18 (AP)—The stock market continued to reach timidly for recovery today but dealings remained among the slowest of the past year.

Selected motors, steels and rails edged forward after the opening. Gains of fractions to 2 or more points, well distributed by midday, persisted in most cases at the close. The ticker tape frequently dozed. In the fourth hour volume of only 70,000 shares equalled that of the previous session. There was little activity in the final hour and transfers for the full stretch ran to about 700,000 shares against the 7-months' low Monday of 640,000.

On the upside were Chrysler, General Motors, Bethlehem, U. S. Steel, N. Y. Central, Southern Pacific, Norfolk & Western, Chesapeake & Ohio, Great Northern Railway, Goodyear, U. S. Rubber, Montgomery Ward, Sears Roebuck, International Harvester, Anaconda, American Smelting, Dow Chemical, Johns-Manville, U. S. Gypsum, Standard Oil (NJ) and Texas Co.

Grain Futures Price Breaks

CHICAGO, March 18 (AP)—Grain futures broke sharply in late trading today, and all wheat deliveries were off the daily permissible 10 cent limit.

The reaction from the high of $3.03 in early trading came as the result of a report that the government is negotiating with interests at Kansas City to deliver spring wheat at the opening of lake navigation, instead of the March contract.

Traders said if the report is true, the result would be that more cash wheat would be immediately available to meet commitments in the March contract. The current prices, they said have been the result of the tight situation in March wheat.

Corn and oats followed wheat downward.

At the close wheat was 10 cents lower than the previous close in all deliveries, March $2.66½.
