

## Crowd Attends Scout Rally

Four hundred people, including 200 Scouts, witnessed the Klamath Basin District Boy Scout rally and court of honor Tuesday night in the Merrill high school gymnasium. The court of honor, held at the conclusion of the rally activities was conducted by Dr. Richard Curran, advancement chairman. Dr. F. Cecil Adams presented the highest award of the evening to Carl Rajnus of Malin. Carl received the coveted Eagle Scout rank, his mother pinning the badge on his uniform with Laddie Rajnus, his father and a veteran Scoutmaster, witnessing the presentation. Dr. Adams challenged young Rajnus with the statement that the award of this high rank was a call to further service in the Scout movement. Life ranks were presented to two young men, James Welch of Troop 16 and Stanley McClellan of Troop 8. The Life rank is the next step below the coveted Eagle.

Troop 16, sponsored by the Sacred Heart Catholic church, won the final leg on the court of honor attendance trophy and will keep the award permanently. This announcement was made by District Commissioner Heber Radcliffe after a Troop roll call. Troop 16 had an attendance of 487 per cent of its Scout membership with 75 parents and friends being present on behalf of the troop.

Patrols winning the most points in the rally events were: Flying Eagle patrol of Troop 8, first with 11 points; Modoc patrol of Troop 33, Malin, second with 9 points; tying with the Apache patrol of Troop 16 for this place; the Flying Eagle patrol of Troop 50, third place with 5 points; and the Eagle patrol of Troop 2 placed fourth. Many patrols had one or more places in the events so no high scores were accumulated even by the winners.

Rally events were managed by Neighborhood Commissioners Paul Tanner, Clifford Macy, Harvey Woodard and Gomer Jones working under the direction of Heber Radcliffe. Bob Simmonds of Troop 2 was scorer with various Scouters acting as judges. Court of honor awards were also made by the neighborhood commissioner staff.

The next district event will be a camporee on April 26, probably in Moore park.

## She's Not Discouraged

Five-year-old Charlene Fisk has been wearing her artificial arms for two months and is already capable of helping her mother around the kitchen in their Grand Rapids, Mich., home. Charlene lost both arms last summer when she toppled from a work horse into the path of a mowing machine while her father watched in horror. Holding her attention here is a toy bank containing a \$100 contribution from patrons of a Grand Rapids cigar store. Public sympathy created a \$32,000 fund being reserved for the child's education. —AP wirephoto.

## Grange Talks Farm Housing

Buildings from the Jap camp to house farm labor were thoroughly discussed at the meeting Wednesday of grange agricultural masters and committeemen, held in the county agent's office.

The Klamath Potato Growers association has applied for 100 of the buildings for April 1. These are the 20 by 100-foot barracks. This is the third order for buildings from the camp, already 100 having been allocated to qualified basin farmers for labor housing.

Another subject discussed was the Klamath county acreage allotments which have been set by the county committee and submitted to the state production marketing association for approval. Growers will be notified as soon as approval has been obtained.

Another prospect was Scotty Lloyd, letterman end in 1944, who was transferred later to the navy training program.
