

Ellsworth Asks Vets Hospitals

WASHINGTON, March 27 (AP)—Rep. Ellsworth (R-Ore.), urged the veterans' administration today to act to relieve the situation in Washington and Oregon concerning hospitalization facilities for war veterans.

Ellsworth recalled Camp White, in Oregon, had been suggested as a good place for caring for veterans. But, he said, the administration dropped the proposal because of the availability of

facilities at Barnes General hospital in Portland and the Seattle naval hospital in Seattle, and now he was advised that neither institution can be used because of lack of funds.

At the same time Senator Magnuson (D-Wash.), announced that the veterans' administration had waived its priority to take over the Seattle hospital from the navy, which is releasing it to Washington state and King county to be used for a tuberculosis hospital.

The administration notified Magnuson it was having a sur-

vey made to determine whether it can use the Seattle hospital for service connected patients on a contract basis after the state takes it over.

Ellsworth asked the veterans administration to let him know the comparative need for hospital and domiciliary facilities now as compared to a year ago, what additional facilities have been made available during the last year, to what extent the demand cannot be met, and its recommendations for relief of

SAN FRANCISCO, Calif., March 27 (AP)—The federal bureau of investigation has so many diapers on hand its storage capacity can't accommodate them.

U. S. Attorney Frank J. Hennessy took the problem to Federal Judge Michael J. Roche. The judge set June 7 as the final date

for owners to establish their rights to the articles. If unclaimed, they will be sold.

In addition to the diapers the FBI has a wide variety of cosmetics and women's garments. Hennessy said most of the items had been stolen from interstate commerce shipments.
