Stock Market Quiet Today

NEW YORK, March 28 (AP)—A handful of stock favorites exhibited quiet strength today although many market leaders lost their recovery steam of the two preceding sessions. Mild irregularity ruled near the close. Transfers tapered to around 900,000 shares.

Among better movers International Harvester and National Distillers touched new 1947 highs. Other attracting bids were Santa Fe, Goodyear, Caterpillar Tractor, American Can, Air Reduction and American Smelting.

Assorted professionals cashed in on the idea the Wednesday-Thursday rally may have impaired the technical position of the market.

Bonds were uneven.

Wheat Price Gyrates Wildly

CHICAGO, March 28 (AP)—The wildest day of price gyrations which the current hectic grain market has yet produced developed on the board of trade today.

What and corn experienced successive periods of sharp breaks and equally sharp rallies. Oats displayed considerable resistance to selling pressure.

When the final gong sounded grains were rallying. Wheat, which had been off as much as 7 cents only 10 minutes before the close, finished 3¼c lower to 1¼c higher as compared with yesterday's finish, May $2.56-2.57¼.

Corn closed ⅛-2½c higher compared with yesterday, May $1.91¾-1.92, and oats were 2½-3¾c higher, May 90-89¼c.
