

Keno

The annual banquet in honor of the basketball team was held Friday night, March 14 in the

school cafeteria. Teachers and their wives and husbands, members of 5th, 6th, 7th and 8th grades which included basketball team members, and a few

friends-of the team, enjoyed the banquet and entertainment which followed.

Mrs. Tom Tenney, a former teacher in Keno schools, Mr. Tenney, Mrs. Walter Layton and Mrs. Tom Barnes who prepared the dinner were in this number.

The cafeteria was beautifully decorated in the team's colors, green and white, as were also the tables.

Mrs. Layton, cafeteria cook, was presented with a very lovely casserole by the students, as a token for her efforts in cooking the delicious food which was served at the banquet.

Following the dinner, games were played in the gymnasium for an hour or two.

Sprague River Project Finished

CHLOQUIN, March 29—Irrigation water users of the Modoc Point and Williamson river regions will be interested to learn that the reclamation project leading from the government dam on Sprague river has been completed. Work, which has been under way since the first part of January with a double shift on duty much of the time, was finished last Friday, it was announced by Frank Parker, head of the Klamath reclamation service in this area. The two old metal flumes have been removed and the new ditch has been located further back in the hillsides, necessitating the use of considerable blasting of rock obstructions.

The Virgin islands were discovered by Christopher Columbus on his second voyage in 1493 and named Las Virgenes, in honor of St. Ursula and her companions.
