Youths Held In Robbery

MERRILL, March 31 — One teen-age youth was in custody and another was sought today by Chief of Police Ed Davis, following an alleged attempt to rob the Merrill Lumber night.

Transferred from the Merrill city jail today was Fred Anderson, about 15, Yreka, Calif., resident. Anderson told officers that his companion was Jerry Cunningham between 10 and 11, also of Yreka, but Cunningham was at liberty after he is said to have jumped from the ladies rest room window when Robert Drago, manager, and Howard Dewey, company employe, entered the building.

Drago told police that he and Dewey noticed a youth standing in front of the establishment when they drove up to the building at about 7:30 p. m. On entering the door, the second lad jumped from in front of the safe and out the window. Anderson was apprehended and his luggage, in which Chief Davis said he found two guns, was confiscated. The cash register was open and a check found on the floor but no cash was available. Drago said. Receipts from the week-end business were in the safe.
