Lead Stocks Show Gains

NEW YORK, April 1 (AP)—Led by aviations, motors and steels, selected stocks enjoyed a recovery move in today's market although many pivotals failed to participate.

Mild irregularity prevailed after the opening. Dealings quickened at intervals but slowdowns were frequent. There was a brief active flurry in the final hour when favorites added fractions to around 3 points. Losers were plentiful and most top marks reduced at the close. Transfers were in the neighborhood of 800,000 shares.
