Sugar Stamp Number 11 Validated

WASHINGTON, April 1 (AP)—Spare ration stamp No. 11 was validated today for another 10 pounds of sugar to each household consumer.

OPA officials said the stamp will be good through September 30. Stamp No. 53, which provided a five-pound allowance, expired last night.

OPA previously had announced that another stamp good for 10 pounds probably would be validated July 1, with a third one likely to be made good around October 1.

However, since congress ordered sugar controls transferred from OPA to the agriculture department effective last midnight, it is possible that some change may be made in this tentative schedule, officials told a reporter.

The agriculture department would make any change necessary to conform to new ration rules voted by congress.

Congress approved extension of sugar and ration controls only until October 31, and stipulated that each person should receive an additional 20 pounds of sugar in the next seven months. This rate would assure 35 pounds for each person this year, compared with a total of 25 pounds received last year.

Woman Gets 2nd Charge

LOS ANGELES, April 1 (AP)—Miss Ruth Helen McKenzie, 29, claimed her personal belongings at the county jail, bade goodby to the matrons and said: "It's going to be nice to go home again."

She had just returned from nearby Torrance where a police court judge had freed her of a murder charge in the stabbing of her fiance, Jack Clifford Floyd, 31, in her apartment March 12.

But as she turned to leave the jail an investigator served her with a new murder warrant.

Floyd died of a wound in the neck from a kitchen knife. Miss McKenzie insisted it was accidental, resulting from a "playful" gesture with the knife while they were discussing their forthcoming marriage.

Five-Year Search For Killer Ends

PORT ORCHARD, April 1 (AP) A five-year search for James S. Williams in connection with the slaying of his daughter-in-law, Mrs. Winston Williams, ended yesterday with identification of a skeleton found near Long lake, Sheriff Rex Haines said.

The sheriff said bones, clothing and a rifle found by a party of timber cruisers had been identified as those of Williams.

Williams disappeared in April, 1942, Haines said, when Mrs. Williams' body was discovered. A note bearing his signature was found, saying it would be useless to search for him.

The skeleton was found atop a rifle, which the sheriff said was similar to the weapon used to kill Mrs. Williams.

Supplies of thiamine, riboflavin, niacin, and iron in this country are at a high level. This is due in large part to the enrichment of grain products.

Girl Scout News

Intermediate Troops

Troop 2, of the Fremont neighborhood, with Mrs. James Pinniger and Mrs. R. W. Rockholt as leaders, held its regular meeting, at which time, Mrs. Thomas C. Parker, executive director of the Klamath Falls Girl Scouts, visited the troop. The girls made maps of their recent hike and planned another hike to be taken soon.

Troop 6, of the Roosevelt neighborhood, Mrs. Dean Osborn and Mrs. Albert Roenicke, leaders, held a business meeting and discussed badge work. The leaders treated the girls to an Easter egg hunt, and the refreshment committee, Bernice Thaw, Joan Zanders, and Jeannine Zanders, served the refreshments.

Troops 11, 17 and 20, gave a potluck dinner for mothers and daughters, in the cafeteria of the Altamont Junior high school. The girls of these troops prepared the decorations for the tables as well as the entire dinner. After dinner the three troops joined together in presenting a lovely program. Approximately 110 guests attended the dinner. Special guests were Mrs. Rollin Thompson and Mr. and Mrs. A. C. Olson. The leaders of these three troops are troop 11, Mrs. Joe Abner and Mrs. Gilbert Franklin; troop 17, Mrs. Merrill Rodgers and Mrs. Philip Holzapple; troop 20, Mrs. Ralph Gates and Mrs. Frank Alberts. Mrs. Jack Wright and Mrs. Audrey Gigler, Altamont neighborhood chairmen, gave a great deal of time to help make this affair a big success.

Troop 14, of Henley, with Mrs. Ronald Whitlatch and Mrs. Ray Roberts, leaders, held its regular meeting recently. Mrs. Parker, executive director, visited the troop. The girls discussed undertaking a community project. Troop 14 will have an additional meeting each Friday evening to work on badges.

Brownie Troops

Troop 22, of the Pelican neighborhood, with Mrs. William Harris and Mrs. Bernard Valk, leaders, is planning a party for its next meeting. The troop will have an Easter egg hunt, and will play games. Eleven girls were present at the last meeting.

Malin

Intermediate troop 3 held its third meeting. The girls are making plans for a Mother's Day tea. After their fourth meeting, the troop will have a skating party at the Malin skating rink. Mrs. Loyal Saunders, Mrs. Virgil Morrow and Mrs. Robert Byrnes are the leaders of this Malin troop.

The Malin neighborhood groups met in the Malin high school with the leaders of the newly organized troops, to discuss plans for their new Girl Scout program. Those present were Mrs. Glenn Morton, Mrs. Irene Freitag, Mrs. Florence DeMerritt, Mrs. Elzie Mock, Mrs. Helen Rajnus, Mrs. Mayme Ottoman, Mrs. Virgil Morrow, Mrs. Ann Sanders, Miss Teddy Sterens, Mrs. Elzie Roberts. There will be no Girl Scout or Brownie troop meetings in Malin, during Easter vacation.

Scientists To Cover Eclipse

WASHINGTON, April 1 (AP)—Thirteen scientists leave for Brazil today to make one of the most elaborate studies of a solar eclipse ever attempted.

A camp to accommodate 80 persons and ten tons of equipment has been set up in the wilds of Brazil, near Bocayuva, 400 miles north of Rio de Janeiro. The eclipse will occur May 20.

At a news conference preceding their takeoff by air (11 a. m. EST) the scientists said studies of a dozen major scientific problems, such as Einstein's theory of relativity and atomic fission, are related to the project.

Col. Millar Young of the army air force's guided missile section said the expedition also may provide information about high altitude conditions that will be valuable in developing improved guided missiles.

The expedition is sponsored by the National Geographic Society and the army air forces.

The sun's eclipse, not visible in the United States, will last less than four minutes.

1500 Washington Miners Walk Out

SEATTLE, April 1 (AP)—Fifteen hundred Washington miners are participating in the "memorial lay-off" called by John L. Lewis, State President Sam Nicholls of Renton said today. The men are employed in 35 active coal mines.

James E. Ash, secretary-manager of the Coal Producers association of Washington, said the state's loss in coal production will be between 28,000 and 30,000 tons. Miners, he said, will lose an estimated $55,000 in pay.
