# Recreation Talked At C Of C Forum

Stressing the need for improved recreational facilities and coordination of the present set-up, a forum group composed of four citizens interested in youth activities spoke to the Klamath County chamber of commerce Wednesday afternoon.

Speakers were Mrs. M. P. Leonard, representing the child care, health and welfare committee; Mrs. Harlan P. Bosworth, an active member of the League of Women Voters; Paul Lee, Klamath Falls business man, and Fred Robinson, of the city park and recreation board.

Introducing the topic, "An Adequate Recreation Program for Klamath County," Lee pointed out that the nation has slipped into the beginning of a moral slump similar to the years following the first world war.

Adding that financial support is necessary to help in keeping a high moral standard in youth, he finished with the question, "Can we or can we not afford to do something about it?"

Robinson spoke on the possibility of asking voters for a 1½ mill recreation levy in addition to the present ½ mill in a future election. He specified that the city is now operating under a serious handicap without sufficient finances to carry on a complete program. Speaking highly of the new city recreation director, Samuel H. Smith of Salt Lake, who will assume his duties next Monday, Robinson asked the cooperation of everyone in working with Smith.

A long range tax supported recreation program was suggested by Mrs. Leonard as a means of securing an ample plan, along with an over-all coordinating group consisting of interested members of civic bodies.

Mrs. Bosworth added that each person in the community should feel personally responsible for negative factors in improving recreation, since, she explained, each negative factor should be counteracted with a positive one. Everyone can help, she stated further, with a "little time and a little pocketbook."

The usual question and answer period was omitted from the program because of a lack of time.

## Youngster Breaks Leg In Tumble

A playmate tackled 6-year-old Water Peterson, 2541 Gettle, just a little too hard and ruined young Walter's spring vacation.

The children were playing in the neighborhood at the time when one boy sent Walter to the ground. The boy suffered a badly broken leg and was admitted to Hillside hospital where he will be for quite some time. Walter is the son of Mr. and Mrs. L. J. Wilson. The accident occurred Saturday.

## Flashes Of Life

**KICK-BACK**

CLAYTON, N. M., April 3 (AP) A kick-back broke Paul Miller's leg.

The young Seneca rancher said he kicked an old bull to hurry him into a corral.

The bull kicked back.

**SILVER LINING**

ANN ARBOR, Mich., April 3 (AP) — Seven-year-old Allison Brown wore her mother's $2200 diamond and sapphire ring to school to show it to her young friends, but it was missing when she got home.

Police and Boy Scouts searched for it until Allison's mother, Mrs. B. Gatz Brown, reported everything had turned out all right.

She found the ring in the lining of Allison's coat.

## Maundy Thursday Service Slated

Maunday Thursday services will be held by the Knights Rose Croix of the Scottish Rite, on Thursday evening at 8 o'clock at the Masonic hall in Klamath Falls. This is the obligatory feast of the extinguishing of the lights, and it is mandatory upon all members who have attained the 18th degree of that rite, to attend this feast, if it is at all possible.

There will also be the ceremony of the re-lighting of the lights on Easter morning at 7:30 a. m., followed by a breakfast at the Willard hotel. These are probably the two most outstanding occasions of the year for Scottish Rite Masons.

## Quick Action By Companions Saves Life Of Worker

Quick action on the part of fellow workmen saved Robert Cox, 23-year-old U. S. bureau of reclamation employe, from possible death late Tuesday when he was severely burned about the legs while destroying weeds on a canal bank on the Tulelake division.

Cox was working with the sprayer when the hose came loose from the tank, covering him with the spray which ignited as sparks from the burning weeds fell on his clothing. John DeBuhr and Elmer Burns, both of Tulelake, saw Cox caught in the flames and came to his rescue. They rushed him to Merrill where he was given first aid and then brought to Klamath Falls where a physician treated his burns. Cox returned to Malin but Wednesday afternoon was admitted to Hillside hospital for medical care. Cox makes his home in Malin.

The highest temperature ever recorded for sea water was 96 degrees, in the Persian gulf.

## Tillamook Pilot Killed In Crash

ALBUQUERQUE, N. M., April 3 (AP)— Virgil Dean Osterhaut, Tillamook, Ore., pilot, was fatally injured late yesterday in the crash of a private plane he was test-hopping.

Douglas E. Porch, owner of the plane and also from Tillamook and Allen Park, Mich., was injured. He suffered jaw and nose fractures.
