

Solons Seek To Narrow Greek Move

WASHINGTON, April 7 (AP)—Senate critics sought anew today to narrow President Truman's doctrine of world-wide aid to "free peoples" by writing into the Greek-Turkish bill a proclamation against intervention in any other nation's civil strife.

With the senate expected to start debating the \$400,000,000 stem-communism measure Wednesday, Senator Edwin C. Johnson (D-Colo.), spearheaded a drive for such a non-intervention amendment even though it already has been rejected by the foreign relations committee.

Statement Made

Johnson's proposal would state in effect that the United States in extending aid to Greece and Turkey, is not establishing a policy under which it will feel called upon to intervene in the troubles of nations elsewhere. It also would reaffirm American intentions to submit to the United Nations all future disturbances involving world peace.

The Colorado senator told a reporter he regards Mr. Truman's March 10 statement to congress that this country will "support free peoples who are resisting attempted subjugation by armed minorities or by outside pressures" a departure from traditional American policy.

The president reiterated in his Jefferson Day dinner address Saturday night his doctrine of "aiding these peoples whose freedoms are endangered by outside pressures."

He did not mention Russia by name.

China Relief Group Named

Francis Lambert, state chairman of United Service to China, which will soon begin its 1947 campaign in Oregon, has named the Rev. Victor Phillips as acting chairman for the Friendship to China week in Klamath Falls.

Lambert also revealed that a quota of \$80,475 has been set for Oregon's part of a national budget of \$8,000,000 with which the United Service to China organization will work in China in the fields of education, medicine and public health, child care and reconstruction.

Named to assist Rev. Phillips are John Ebinger, Malcolm Epley, Aaron T. Hoffman, Mrs. Ida Odell, Hans Norland, Rev. D. B. Anderson, R. C. Woodruff, Garry E. Robertson, John Houston, Paul Lee, Charles R. Stark, Cecil Kollenborn and Elton H. Thompson.

Plans for the 1947 campaign in Oregon were announced and preliminary plans launched in late February, with Governor Earl Snell accepting the honorary state chairmanship at the personal request of Edward R. Stettinius Jr., the national campaign chairman, Secretary of State George C. Marshall is national honorary chairman.
