

Taft Says GOP Congress Will Disregard Truman And Cut Taxes This Year

WASHINGTON, April 7 (AP)—Senator Taft of Ohio declared today that the republican-controlled congress will disregard President Truman's "political timing" and cut both taxes and government expenses this year.

Taft, who heads the senate republican policy committee, told a reporter he regards as a "purely political statement" the president's assertion in his Saturday night Jefferson Day address that the republicans are headed toward "false economy."

"The president's budget will be cut," Taft said. "Estimated revenues are going to be larger. Taxes can be cut and a large surplus left to apply on the debt, for which the democrats are suddenly much concerned after 14 years."

"If we don't cut taxes now," the Ohio senator continued, "the spenders will soon find new ways to spend and spend and elect and elect."

Mr. Truman told his audience of democratic party members he recognizes frankly that the present tax burden is too heavy to be considered permanent, adding:

"At a proper time I will support tax reduction and tax adjustment designed to reduce the burden and to adjust the burden to the needs of a peacetime economy."

Taft said this statement indicates to him that Mr. Truman has "political timing" in mind.

Japs Call Law Discriminatory

PORTLAND, April 7 (AP)—Constitutionality of the Oregon law denying alien Japanese the right to own real estate is challenged in a suit filed in circuit court here by a combat veteran of Japanese descent and his father.

Kenji Namba, 22, American-born veteran of the Italian campaigns, and his father, Etsuo Namba, 59, native of Japan, and a resident of the U. S. since 1908, claim the alien land law is discriminatory.

Logger Burns To Death In Jail

BANDON, April 7 (AP)—Harold B. Clark, a logging company employe who worked south of Powers, burned to death in the city jail here about midnight Saturday night.

Night Officer Walter Lindsey, who was burned on the face in a vain attempt to reach the locked cell, said the fire started in Clark's cell. Clark had been arrested in the city park.

Gas Blamed In Death Of Three

BATTLEGROUND, Wash., April 7 (AP)—Carbon monoxide poisoning by fumes from a manifold type heater were blamed today for the deaths of Mr. and Mrs. John Meyer and their granddaughter in their automobile.

Coroner Ray Andrews reported the bodies of the couple and nine-year-old Betty Meyer were found last evening seated in a model A Ford coupe where they apparently died Saturday night on returning home.

Andrews said the automobile was in low gear and had plowed into wooden crates piled in the yard of the Meyer residence near here. Mrs. Meyer had been driving and the child was seated
