CARIBBEAN COLORAMA A Colorful Panorama in Prints by the Yard From CALIFORNIA FABRIC CO.

A multitude of color from exotic sun drenched Carib countries—a wealth of romance in eighteen unusual designs and a versatile fabric favorite—Tricot-Jersey. Luxurious to look at but modestly priced, perfect for your spring, summer and vacation wardrobes. Caribbean Colorama prints will not shrink or stretch—run or ravel—pack like a dream, retain their mellow suede like finish to the very end and—are easily sewn. 38/39 inches wide.
