

Church Women Plan Friday Meeting

An interesting program has been planned for members and friends of the Klamath Falls Council of Church Women at its May Fellowship meeting which will be held Friday, May 2, in the parish hall of St. Paul's Episcopal church.

Dessert luncheon will be served at 1 o'clock, to be followed immediately by the devotional services, arranged especially in memory of the late Mrs. Louis Benson, whose activities in the council were so effective. Mrs. Benson was a member of Emmanuel Baptist church and an ardent and cooperative Christian worker in Klamath Falls.

The offering to be taken during these services will be given to the relief project which is daily gaining momentum throughout the United States. The Rev. Charles J. Sundstrom, pastor of Emmanuel Baptist church, will conduct the devotional service.

The afternoon program topic is "Community Activities" and will be conducted in the form of a panel discussion with Samuel H. Smith, city recreation director, and Cecil Kollenborn, YMCA secretary, speaking. Discussion will follow with questions regarding the Interchurch Athletic association and its purpose in the community and how the YMCA and the recreation committee with church groups may cooperate in order that Klamath Falls may realize a full-rounded recreation program, planned for the best interests of young people.

Hazel Morrison, president of the local Council of Church Women, will preside and Mrs. Kenneth Lambie, serving as program chairman, will take part in the program. All church women are urged to be present promptly at 1 o'clock.
