Search For Plane Gains Momentum

VANCOUVER, B. C., May 1 (CP) **Hope for the safety of at least some of the passengers or crew aboard the missing Trans-Canada airlines transport brought the search into high gear today following reports from seven different sources that lights have been seen in the mountains of Indian Arm district, 10 miles north of here.**

Hazy-hidden skies and a drizzling rain grounded all planes, but a ground party has landed near the power station close to the summer resort of Wigwam Inn, preparing to cut their way through the thick underbrush up the mountainside.

Opposite Direction

The new reports turn the hunt in the opposite direction to which search planes have flown ceaselessly for three days.

Royal Canadian air force officials said that a helicopter is en route from Seattle to investigate what authorities say is "the best clue we have had."

From McChord Field, Wash., a specially-equipped B-17 has been made ready to take off and will join the hunt as soon as the overcast lifts. The plane was requested by Western Air command.

Air force officials said seven persons reported seeing a white light "gyrating madly" on the mountainside. The civilians all were interrogated separately and all stories agreed on the time the lights were seen.

A taxi-driver from nearby Deep Cove reported seeing lights in the direction of a 4200-foot mountain between Lake Buntzen and Lake Coquitlam.

The RCAF land party, which went ashore from the Crash Boat Huron, included Provincial Police Constable William Murdoch, forest rangers and air force personnel. All are trained bushmen.

Few Stocks Show Gains

NEW YORK, May 1 (AP)—Selected stocks, paced by oils and special issues, pushed up fractions to better than 2 points in today's market although many **leaders failed to make a great deal of headway.**

Transfers ran about 800,000 shares.

Declines were suffered by U. S. Steel, General Motors, Douglas Aircraft, Kennecott, General Electric, Pullman, Chesapeake & Ohio, Atlantic Coast Line, Illinois Central, Pfizer and Schenley.

Vulcan Detinning jumped 20 points to 148, a new 1947 high, in the wake of a splitup proposal. It was the first sale since April 16 and totalled 20 shares.

A boosted dividend buoyed Standard Oil (NJ) and imparted strength to Superior Oil, Texas Co., Skelly, Continental, Gulf, Phillips Petroleum, Amerada and Seaboard.

Grain Deliveries Support Market

CHICAGO, May 1 (AP)—May deliveries of all grains were strong on the board of trade today, imparting a firm undertone to distant contracts. Some eastern commission house buying and short-covering was apparent in the nearby contracts.

May wheat led the upturn.

Wheat closed ¼-4¼c higher, May $2.61¾-2.64, corn was unchanged to 2¼c higher, May $1.61½-1.62, and oats were unchanged to 2¼c higher, May 89-89½c.
