

Portland Stumbles To Third

By The Associated Press
The Los Angeles Angels alone among the Pacific Coast league clubs had an easy time winning last night to hold their first place spot.

All the other games were close battles decided in the ninth inning. San Diego climbed over Portland into second place, a game behind the Angels.

Los Angeles, behind the five-hit pitching of Lefty Chambers, went on a hitting spree with 16 blows to wallop Seattle, 11 to 3. The Angels tallied five runs on five hits and two walks before anyone was out in the first inning. Seattle's losing pitcher, Bill Posedel, went to the showers in the midst of this onslaught.

Seattle collected all its runs in the third when Lou Novikoff rapped out a three-run homer.

San Diego won a slugfest from Hollywood, 10 to 9, but not until the last inning when the Stars' pitcher, George Gaster, walked in Max West with the winning score. Hollywood was leading 9 to 7 going into the last of the ninth. The Stars had 18 hits and San Diego, 16.

Portland succumbed to the San Francisco Seals, 2 to 1, when Don White's ninth inning double scored Bones Sanders. The Seals first run developed in the fifth. Restelli singled, took second on Roy Nicely's sacrifice, stole third and came home on a single by Bob Chesnes, the winning pitcher.

Portland's game-tying run in the first of the ninth came when Mayo Smith, batting for the starting pitcher, Vince Dibiasi, doubled, went to third on an infield out and scored on Joe Dobbins' double and a pinch single by Vince DiMaggio.

Slates Trouble PCC Directors

SAN FRANCISCO, May 1 (AP)—In their toughest scrimmage of the year, athletic directors of the Pacific Coast conference last night pushed through tentative football schedules for the seasons from 1948 through 1952.

The schedules go before a faculty conference to be held next month. Long inter-sectional lawsuits previously booked by several of the colleges and universities kept the three-day session of the schedule makers in sharp conflict much of the time. Reluctance of California conference members to travel to the Northwest was reported as another stumbling block.

Honkers Here

The Lakeview Honkers furnish the opposition for the strong-armed baseball players of KUHS here Friday afternoon. The game is slated for 3 p.m. on Modoc field. The Pelicans, undefeated this season, need a win over the Honkers to stay on the path to the state baseball tournament.

By Hale Scarbrough Waterfowl Season May Be Whittled Down To 1 Lonesome Week-End

Your duck and goose season next fall is liable to be just a week-end. In fact, there is an eminent possibility that there won't be any season at all.

An extremely limited or completely closed migratory waterfowl hunting season will be recommended by a top official of the U. S. fish and wildlife service, unless something drastic happens to build up the North American bird population in a hurry.

Dr. Clarence Cottam, who is an assistant director of the service, said in Chicago yesterday that he intended to make such a recommendation "if the situation continues as bad as it is now. During the past two years we have dipped deeply into our breeding stock. This trend must be halted."

Dr. Cottam was addressing the first of 11 regional conferences to be held to hear the public's ideas and suggestions concerning waterfowl seasons and limits for this fall. A similar convocation will be held in San Francisco May 19, and one in Portland a few days later. The wildlife service's annual bird census put the waterfowl population of North America at 57 millions this spring, compared to 80 millions last year, and an official of the Audubon society has already recommended a closed season.

The point of all this is that the fish and wildlife service (department of the interior) which sets the waterfowl hunting season dates and figures, and the recommendations of the officials of the service probably will ride right on through. The hunter's outlook isn't good.

Beavers Might Get Out Of Mud

Something is being done up at Corvallis to get the Beavers out of the mud.

Be field, where Lon Stiner's boys play football, is undergoing an extensive face-lifting this spring, and a vastly better turf is expected to be the result. The project is to eliminate any more slimy shindigs like the Oregon-OSC fracas of last fall.

New tiling is being laid to furnish better drainage, the playing field is to be entirely resurfaced and reseeded. The lights are being taken down and moved to a practice field, so the main gridiron can be left for Saturday afternoons rather than used for twilight or night drill sessions. This work, incidentally, is the first of any consequence to be done on Be field since 1938.

The Umpqua Yields Big Ones, Too

This page recently carried a picture of a beautiful catch of salmon, hooked by W. W. Clark and Homer Clark of Malin, with the word in the caption that they were caught in the Rogue. Giving credit where credit is due, this particular string of fish was pulled out of Sawyer rapids on the Umpqua, where the fishing is also fine along about now.

Pelicans Have Trounced Them All

Almost unnoticed the Klamath Pelicans have overrun the Southern Oregon high school conference in baseball, and are playing off with Lakeview and probably Roseburg for the right to go into the state diamond tourney. The Pels beat Grants Pass 9-6 and 10-4, drubbed Medford by 9-1 and 13-0.

High Costs Put Damper On Basketball Arena Boom

NEW YORK, May 1 (AP)—From \$50,000,000 to \$100,000,000 will be spent by major colleges alone for new basketball construction during the next seven to ten years.

An Associated Press survey shows that there's \$25,000,000 gathering interest in collegiate kettles right now, just waiting to be spent on new fieldhouses, pavilions, etc.

But the handiers of the academic purse-strings, while anxious to throw up spacious structures to reap the basketball-hungry public's box office dollars, are wary of present high building costs and scarcity of materials, also up in cost.

The survey disclosed that the average expenditure per school for these institutions now contemplating new construction is \$1,250,000. More than half the schools polled declared they had expansion plans, but invariably the comment was the same: "Ready date indefinite.... waiting for reduction in materials costs.... appropriated funds now insufficient.... plans not yet in blue-print stage."

Facilities in the Middle West, while still averaging larger than other sections, still are insufficient to meet demand. Northwestern, for instance, uses the Chicago stadium for many of its games, affording seats for 19,000, while the school contemplates a projected \$1,500,000 building program of its own.

Illinois is looking forward to a \$4,000,000 structure to seat 20,000—but it won't be ready before 1952.

B Squads Compete On Track

Klamath county's annual B school track and field meet will be held on Modoc field tomorrow afternoon, starting at 1:30, with the Malin Mustangs in the role of defending champions.

This cinder event is the highlight of the track season for the smaller schools. The winner takes permanent possession of the county track cup, and temporary possession of a revolving trophy donated by Hal Shidler.

Entered tomorrow will be Malin Henley, Merrill, Bonanza and Chiloquin. Last year, with just four squads entered, the Mustangs took a close decision, 47 1/3 points, to 42 1/3 for Merrill and 41 1/3 for Henley. Pat Hammond of Merrill was the '46 individual star of the meet, scoring 17 1/2 personal points.

Chiloquin did not have a track team last cinder season.

Prospects for tomorrow are for a warm day and fast track, and a new meet mark for the mile may be turned in by Doyle Haskins of Merrill, the low hurdles by Gene Hill of Henley, the high jump by Fred Hess of Henley.

Other outstanding entrants are Lowell Snapp of Merrill, Wayne Severson of Chiloquin, and Phil Anderson of Malin.

Officials of the meet tomorrow include: Time—Ralph Hill, Clarence Hill and Andy Street; Starter—Hal Shidler; Clerk—Elton Fishback; Judges—Harold Hendrickson, Joe LaClair, A. C. Olson and Earl Graham.

Rotarians Awaiting Winners

Links teams representing Lions and Kiwanis will hook up on the Reames country club course Sunday morning in the first round of the annual service club golf tourney. The Rotarians, title holders of last year, take on the winners later.

The tourney will be 18 holes of match play, and pairings have been made as nearly as possible to conform with each player's average game, according to John Shaw, chairman of the event.

In addition to the pairings listed below, any other golfing members of the Lions or Kiwanis clubs can show up at No. 1 tee Monday and be matched.

Pairings at tee time: Lions vs. Kiwanis
9:00—Ed Hickman—Stan Miller
9:15—Dr. J. Cox—Bill Peak
9:30—Lloyd Drew—Russ Marshall
9:45—Norman Moty—Ebert Veasch

Pete, Billy In Main Go

Pete Belcastro and Billy Weidner are tangling tonight in the main event wrestling bout at the armory—the first time those two have tangled since March 13 when Weidner dethroned Belcastro.

Weidner still retains the coast junior heavy champion, and the diadem is not at issue tonight. This battle is off the cuff, and slated for five stanzas.

Also grappling with a five-round limit will be Georges Dusette and Herb Parks. Dusette was slightly injured here a week ago, but not enough to put him on the shelf. His fight with Parks doesn't figure to be as tough as some he has had in recent weeks.

Gorilla Poggi, South American, and Ruben Gracia, Mexican, are matched in the opening tiff, three rounds starting at 8:30.

17 To Meadows

PORTLAND, May 1 (AP)—Charles S. Howard, owner of the famed Sea Biscuit, will ship 17 thoroughbreds to the Portland Meadows track for the spring racing season, he informed Track Manager William P. Kyme yesterday. The season opens May 27.

Southpaws Falter . . . Pollet Belted Out As Cardinals Lose

One of the enigmas of the young baseball campaign has been the poor pitching form displayed by Hal Newhouser and Howie Pollet, the premier southpaws of the major leagues.

Newhouser, Detroit's star hurler, who is generally rated as the best lefthander in the American league since Bob Grove, has lost his last three starts after opening the season for the Tigers with an auspicious shutout against the St. Louis Browns.

Pollet, the stylish St. Louis Cardinals' twirler, who led all National league pitchers in games won and earned runs last year, in each of his three starts this season, has been belted out of the box and charged with the defeat.

Yesterday was the third straight time that Newhouser failed to go the route as the Boston Red Sox finished him off in the ninth inning to whip the Tigers 7-1. Mel Parnell, rookie southpaw, ended the Red Sox four-game losing streak by holding the Bengals to four hits.

The sludding Cards took their seventh successive defeat, a 4-3 loss to the New York Giants at the Polo Grounds. The situation is so serious in St. Louis that President Sam Breaden announced he was flying to New York to see for himself just what is wrong.

The Cards led until two out in the ninth yesterday, mainly because of home runs by Al (Red) Schoendienst and Stan Musial.

The Chicago Cubs, behind the four-hit pitching of Rookie Doyle Lade, snapped the Dodgers' six-game winning streak 3-1. The defeat was Brooklyn's first in nine starts at Ebbets field and narrowed its first-place lead over the Cubs and Pittsburgh Pirates to one game. The Dodgers' Jackie Robinson went hitless four times at bat, stretching his hitless streak to 20.

Divers Drawing Most Attention

SEATTLE, May 1 (AP)—Hopes, stacked like the towels in the locker room, were high and bright today among America's half-hundred finest feminine swimmers as many of them splashed through their final workouts before the start tomorrow of the three-day women's national senior indoor AAT swimming and diving championships.

Divers were drawing the chief attention as meet time neared and the possibilities of upsets became apparent.

PONTIAC

A fine car made finer

People "in the know" buy Pontiac

Our records reveal that an amazing number of engineers and technicians choose Pontiac for their personal cars.

One of America's foremost experimental engineers recently explained this, as he took delivery of a new Pontiac. "I really believe," he said, "that Pontiac is the soundest car built today. It is in a class by itself for well-balanced excellence."

Year after year, this is true of Pontiac. While its engineering is always progressive, no feature is ever included in Pontiac design until it has been thoroughly and completely proved. You can take delivery of a new Pontiac any year with the certain knowledge that it will serve you long and dependably.

So regardless of when you expect to get your next car—make it a Pontiac. An extraordinary number of people "in the know" will support your choice.

THE SOONER YOU PLACE YOUR ORDER for a new Pontiac, the earlier you will get it. So place your order now for future delivery. And remember—you'll get more for your present car when you trade if you take good care of it now.

Always Drive Carefully

PONTIAC Owners Enjoy More Worthwhile Features

SMOOTH, POWERFUL, L-HEAD ENGINES—Your choice of a six or an eight, 100% Full-Pressure Metered Flow Lubrication, Gaselector, Scotch-Mist Manifold, Vacuumatic Spark Control, All-Weather Engine Temperature Control, Rifle-Drilled Connecting Rods, Electro-plated Pistons, insure greater economy, performance and dependability. TRU-ARC SAFETY STEERING—More positive control with less effort. In combination with small turning circle, makes parking easier. TRIPLE-CUSHIONED RIBS—Shockproof Knee-Action, Duflex Rear Springs, Hydraulic Cushion Levelators, MULTI-BEAR HYDRAULIC BRAKES—Protected against dirt and water.
