

# Medford Is Top Choice For State Track Title

Chief Tornado Opposition Expected To Come From Pelicans; Field Events May Be Hotly Contested At Corvallis Tourney

By Matt Kramer  
Associated Press Staff Writer

Medford—with three performers expected to win first places—is everybody's choice for the state high school track championship at Corvallis next week-end.

The first three places would give the Peapickers 15 points, and there will be six other men on the squad to pick up additional points needed to assure the title.

Chief opposition is expected to come from another Southern Oregon school, Klamath Falls, which will send an eight-man squad to the meet.

Medford's expected winners are Bill Singler in the low hurdles, Jim Carr in the 440, and Bill Werner in the 880. In district eliminations last week they won their events in the fastest times in the state. Werner and Singler could establish new records at Corvallis.

Several champions will be back to defend titles—George Fullerton of Ashland in the mile, and David Earle of Seaside in the discus and John Freeman, Sabin of Portland, in the 100-yard dash. Their squads are too small, however, to be any challenge to Medford.

Fullerton will be out to crack his own record of 4:34 minutes, established last year. He started slowly this year, but warmed up with a 4:30.5 effort last week.

Hurdles and sprints will be contested hotly, as usual, but the spectacular events, the shot-put and broad jump, may have the closest competition. The day, Lawrence of McMinnville turned in the best district broad jump, 21 feet, but there are a half-dozen others capable of that. Irvin Whitl and Tom Edwards of Klamath are strong jumpers. Earle tossed the shot 50 feet, 9 inches, just inches ahead of performers in other districts.

Here are the state's best performers in the district meets (with the state records they will be trying to better listed in parentheses):

- 100-yard dash—Freeman, Sabin, 10.1 (9.9).
- 220-yard dash—Freeman, Sabin, 22.6 (21.8).
- 440-yard run — Carr, Medford, 52.2 (49.5).
- 880-yard run—Werner, Medford, 2:01.1 (2:00.9).
- High hurdles—Frye, Franklin of Portland, 15.5 (14.9).
- Low hurdles—Singler, Medford, 22.9 (22.8). Klamath's Bob Redkey has beaten Singler.
- Mile run — Fullerton, Ashland, 4:30.5 (4:24).
- Shot-put—Earle, Seaside, 50 feet 9 inches (54 feet 1 1/2 inches).
- Pole vault—Dickey, Lincoln of Portland, 12 feet 12 inches (12 feet nine inches).
- Broad jump—Lawrence, McMinnville, 21 feet (22 feet 6 inches).
- High jump — Dawes, Klamath Falls, 6 feet 2 inches (6 feet 3 inches).
- Discus—Earle, Seaside, 148 feet (183 feet 10 1/2 inches).
- Javelin — Missfeldt, Milwaukie, 176 feet 11 inches (201 feet 5 1/2 inches).
- Relay — Grants Pass, 1:32.7 (1:31.3).

**Muddy Multnomah Will See Seven Games This Fall**

Good old muddy Multnomah civic stadium will be the scene of seven major football games this coming fall, starting off with a professional encounter between the Brooklyn Dodgers and the Los Angeles Dons, both of the All-America conference, on Sunday night, August 17.

Multnomah field, the state's biggest but far from best football park, is supposed to be getting a fixed-up drainage system and some other improvements—including some turf—this summer, but won't get the entire revamping the place needs to stand up under Portland rains and heavy use.

The Webfoots have a couple of games in Portland, opening the season with the University of Texas Longhorns on September 27, and the University of Washington Huskies on October 18. The Beavers from Corvallis won't play but one game at Multnomah, against UCLA November 6.

Portland university's Pilots will keep Multnomah busy for two Saturday afternoons and a Sunday, playing the Hawaiian All-Stars October 5, Washington State on November 1 and Willamette on November 15.

Box seats for the Oregon, OSC and professional games will go for \$3.60, reserves for \$3 and general admission \$2.20, and can be ordered now by letter to Multnomah Civic Stadium, P. O. Box 390, Portland 7, Ore.

## 'Y' League May Have 40 Teams

Somewhere between 30 and 40 softball teams may be playing in the YMCA-Interchurch league this summer, if present plans hold up, and a number of the squads are already formed and are asking for practice fields between now and the time the league play starts the first week in June.

Teams will be divided into four brackets, according to ages: class A—18 years and up; class B—15 to 18; class C—12 to 15 years; class D—12 years and younger. So far just boys' teams have been signed up, but girls' squads may be formed and play in the same age brackets.

Just where all this softball will be played is still a problem, but probably most of the available vacant lots in town will be used for softball during the afternoons this summer. Arthur Jocheus, 1012 N. 8th, is heading the Y league.

## Trash Fish Being Killed At Lake

The game commission has been working for several weeks trying to reduce the number of trash fish, perch, suckers and carp, up at Lake of the Woods to make the beautiful recreation spot more suitable for trout, and it is believed that present control measures will prove effective.

The field agent at the lake has collected and destroyed a considerable quantity of perch spawn, netting it off the mud bottom and vegetation. Working from another angle a trap has been placed over the mouth of a slough used as a spawning area. The fish enter the trap and come to their ends via poison.

When this work is completed and adequate stocks of trout put in, Lake of the Woods fishing should take a strong turn for the better and be something to talk about in years to come.

## Two Anglers--- 57 Trout--- \$100 Fine Each

Two men and 57 trout didn't set well with game wardens Sunday, so yesterday at Tennant Glenn Edward Tomkin of Weed and Mervin William Tomkin of Mt. Shasta paid fines of \$100 each for exceeding the legal California bag limits.

One of the brothers had 22 fish, the other 35, when they were arrested. The legal limit is 15. They had caught the trout in a remote stream near Mt. Shasta.

In justice court at McCloud yesterday Lyle Witt of Dunsmuir paid a \$25 fine for fishing in McCloud river without a license.

## On Radio Show

Arlo Schultz, KUHS student, will appear on the Sportsmanship and Conservation radio show over KFLW tonight at 6:45. He will discuss the younger generation's ideas of what should be done in the way of wildlife conservation.

## Canucks Hold Three Places

No less than three Canadians—count 'em—are listed for action on Thursday night's wrestling card at the armory.

There's Benny Trudell, he with whiskers, in the opener; Herb Parks on one side of the main event tag match and Georges Dusette on the other.

The colorful little Trudell is matched with the little-known Dory Dillard, who has yet to fight a match here although he has been mentioned as a ring hopeful many times. That will be a three-rounder.

Georges Dusette will have Billy Weidner as his partner again in the tag match, going up against Pete Belcastro and the aforementioned Canuck, Parks.

The lineup for the team scrap is the same as it was last week, but this affair will be a no time limit finish match. Last week the Belcastro-Parks duo won a single fall in an hour time limit.

## First No-Hitter

PORTLAND, May 13 (AP)—The first no-hit, no-run game of the Portland Baseball association's current season was hurled last night by Monte Hansen of the Fire Department team. Hansen blanked the Sellwood Appliance, 15 to 0.

## O'Doul Sings Blues Over Close Ones

By The Associated Press

Manager Lefty O'Doul of the San Francisco Seals, a close second in the Pacific Coast league race, was talking to some of the boys.

"You know," said Lefty, "I miss Ferris Pain more than any other Seal player—and that includes Joe DiMaggio and all the rest."

The Athletics drafted him for \$100,000 and he's a \$100,000 ball player. He was the one that kept us in those close games last season. This year we're losing them."

Despite the loss of Pain and Larry Jansen, 30-game winner, the Seals have been very much on the pace, notwithstanding O'Doul's pessimistic note. The Seals are just one game behind leading Los Angeles and hope to fatten up at the expense of seventh-place Hollywood starting tonight.

However, they could find the pickings lean. The Stars showed considerable punch last week in dropping a close series to the Angels. With ex-Yankee Ruggie Ardizola as an added starting pitcher, the Stars may make more headspace for O'Doul.

The Angels, traveling up to Oakland with a clean record of having won all series played so far, also face a club which appears vastly improved over its early showing.

Other series this week find Sacramento at Seattle, where Jo-Jo White will try again to key his Rocky Rainiers squared away—they're nine games back in last place now—and San Diego at Portland. The Padres and Beavers will wait until Wednesday to start, making up for it with a doubleheader Thursday.

## Pelicans Meet Roseburg Chiefs

The big day for the KUHS baseball team will come tomorrow at Medford when the Pelicans engage the Roseburg Chiefs in the game which will send one or the other to the state prep school diamond tourney in Portland's Vaughn Street park.

Both the Pels and Roseburg are undefeated this season but in the games played to date the Klamath squad appears to be a shade the stronger.

## Walcott Takes \$35,000 Offer

CAMDEN, N. J., May 13 (AP)—Cromer Frank Sinatra's offer of \$35,000 for a 10-round bout between Jersey Joe Walcott and Joey Webster, Maxin, managed by Jack Kearns, is to receive a \$15,000 guarantee. Walcott and Maxin have fought twice. Walcott lost a close decision last summer in Camden and won in a rematch last winter at Camden.

## Earl Torgeson Starting To Bloom Like \$100,000

NEW YORK, May 13 (AP)—The \$100,000 beauty is beginning to look like just that.

Earl Torgeson, the second Earl of Snohomish, Wash. (Averil was the first), dethroned in Chicago with the third place National league Beantowners today for a bitter two-game battle over the first place now held by the Cubs, who lead Brooklyn and Boston by a game and a half.

The angular, six-foot, three-inch Braves first sacker was pleased to note that as of today he is leading both major leagues in runs-batted-in with 21, and is tied with Eddie Miller of Cincinnati for second place in home runs in both majors with seven apiece. Beeg Jawn Mize of the New York Giants is leading with nine.

Torgy's hitting .282, just one percentage point under the Braves'

## Sport Meeting Set Tomorrow

The Klamath Sportsmen's association will meet tomorrow night at 8 o'clock in the Willard hotel for an evening of sports talk topped off with a dutch lunch. Jim Savage, federal wildlife man, is scheduled to speak before the group and his talk will concern his work in the law enforcement and conservation field.

All members of the association and guests are invited to attend the meeting.

## VETS 11, EAGLES 7

The Veterans of Foreign Wars won their opening softball game on Modoc field last night, beating the Eagles 11 to 7. The Vets pounded out four homers and the Eagles put across one circuit blow.

## Buck Newsom Need Six Wins For 200

By The Associated Press

At the rate boisterous Bobo Newsom, Washington's self-styled 20 winner is going along this season, he may be lucky to collect the six victory triumphs he needs in order to join the select list of pitchers who won 200 or more games in the major leagues.

The garrulous righthander has yet to gain his first mound win this season.

Newsom was hardly at fault last night as he failed in his third attempt to register his initial win. He gave up only five hits and one error in eight innings. Philadelphia came up with four runs in the top half of the 11th to whip the Senators 6-1.

Each league got a new runner-up tenant as Brooklyn moved into second spot in the National by defeating the Boston Braves 8-3 at Ebbets field and the Boston Red Sox nipped the New York Yankees 4-3 at Fenway park to move behind Detroit in the American. Earl Torgeson of Snohomish collected a home run and doubled to drive in all Boston's runs.

The Dodgers made good use of 11 hits to clip the Braves, who dropped to third place by nine percentage points.

The game was highlighted by a Dodger run-in with Plate Umpire George Magerkurth in the second frame over his ball and strike decision and resulted in the clearing of the Brooklyn bench of everyone except Manager Burt Shotton, Coach Jake Pflizer, Infielder Cookie Lavagetto and Pitcher Hush Casey.

No other games were scheduled as most of the teams were preparing for their second inter-sectional series of the campaign. The eastern teams in the National league engage the western clubs on the latter's home ground today while the western teams begin their invasion of the east in the American league.

PHILADELPHIA—Bob Montgomery, 140, outpooled George La Rover, 140's, both Philadelphia, non-title (10).
