Granitize Service  
"Ask the Man Who Has One"

The modern method of treating  
automobile finishes.  
GRANITIZE SOLUTION con-  
tains a patented material which  
leaves a hard, dry, granite-like  
finish. It produces a very high  
lustre which cannot be obtained  
by the hand method of polish-  
ing. There is nothing "like"  
Granitize. Granitize cleans, pol-  
ishes and leaves a lasting pro-  
tective coating. It is not neces-  
sary to wax a Granitized car.  
This solution is made for ma-  
chine work and a trained op-  
erator is necessary for the best  
results.
