KFPA Gets False Alarm Score

An alarm for what was thought to be the second forest fire of the season was received at 9 p. m. Friday by Klamath Forest Protective association, but proved to be of no consequence.

The blaze was reported a large one on the Keno-Worden road and a fire fighting crew responded immediately. No blaze could be found and Saturday morning another check was made to discover the cause of the report. A sheepherder had apparently set a juniper fire which blazed up and showed for miles, making a red glow in the sky. It died down shortly and when the crew arrived they could see no fire.

Scottish Rite—A stated meeting of the Lodge of Perfection, Masons, will be held today, Monday, at 8 p. m. in the Masonic hall with S. C. Selby, venerable master, in charge.

Construction of the proposed \$150,000 jail and law enforcement building is at present stalled by high building costs, although the city and county have acquired the location on Klamath between 2nd and 3rd streets.

In another action, the county court appointed Frank O. Pool fire warden for Klamath county at a salary of \$200 a month. Pool succeeds Linton Cunningham as fire warden.
