Stocks Show Good Rally

NEW YORK, May 21 (AP)—The stock market rebounded today in one of its best rallies of the year under the leadership of industrials and rails.

Buying orders in fair volume came in the fourth hour, lifting the list from an earlier irregular trading range. Rails, oils, steels, motors and some special stocks joined the upturn, bringing advances ranging to around 3 points. Total transactions increased to around 1,100,000 shares.

Wide gainers included Santa Fe, Schenley, Chrysler, Coca-Cola, Pepsi-Cola, Standard Oil (N.J.), Texas Co., Timken Roller Bearing (on a good earnings report), American Tobacco "B", International Harvester, May Department Stores, Douglas Aircraft, U. S. Gypsum, Phelps Dodge (ex-dividend), Southern Railway, Great Northern Preferred, International Paper and American Can. Depressed were U. S. Hoffman (on deferment of dividend action) and Twentieth Century-Fox.

Commission houses said short covering and buying by customers seeking quick-turn profits on an unexpected comeback from recent lows placed a platform of support under most sections of the list.

Grain Shows Some Decline

CHICAGO, May 21 (AP)—Grains fluctuated in a nervous and erratic manner on the board of trade today, influenced by conflicting reports of possible rust damage in wheat in Texas.

France purchased 24,000 tons of flour against July export allocations. However, the purchase called for shipment during June, emphasizing the acute need of that country for flour.

Wheat closed 2 cents lower to ½c higher, May $2.75-2.75½, corn was 1½-3½c lower, May $1.83½-¾, and oats were ½c lower to ¼c higher, May 96¼-½c.
