Negro Escapes Lynch Mob, Surrenders To FBI Agents

RALEIGH, N. C., May 26 (AP)—Three young negro men are being held in penitentiaries in the Carolinas today on charges of attacks on white women. One of them outran almost certain death at the hands of a white lynch mob and then hid without food for 48 hours in a pine thicket in Northeast North Carolina before surrendering to the protective custody of the FBI.

Last Friday morning an armed, masked band of white men seized negro Godwin "Buddy" Bush, 24, from the Northampton county jail in Jackson where he was being held on charges of attempting to rape a young married white woman.

They carried him to one of four waiting automobiles. Bush gambled, wrenched himself free, and fled into the protective darkness.

A mob member fired one shot and missed.

Late yesterday after some 75 law enforcement officers had spent two days combing the woods for Bush—or his body, since no one was certain he had escaped—a negro preacher called Solicitor Ernest R. Tyler.

Bush was ready to surrender, the preacher said, if Tyler would guarantee he would not be harmed.

Tyler and two FBI agents went to an appointed place and found the negro. They brought him here to the prison last night.

Billie Simmons, 24, was locked in

Central prison at Raleigh early this morning for safekeeping after his arrest in Clinton, 80 miles south-east of Raleigh, on a charge of rape of a white woman.

Willie Pooler, 20, charged with raping an elderly white woman at Darlington, S. C., was rushed into safekeeping to the South Carolina penitentiary at Columbia.

Only last Wednesday a jury in Greenville, S. C., had acquitted 28 white men of murder charges for the lynching of negro Willie Earle, who was taken at gunpoint from a jail at Pickens where he had been held in connection with the fatal stabbing of a taxi driver.

Criminologist Probes Death

HOOD RIVER, May 26 (AP)—The state criminologist has confirmed police findings here in the death of Mary Louise Sparks, 18, who died last Wednesday of a bullet wound in the abdomen.

Chief of Police Howard Hollenbeck reported Dr. Howard Richardson, state criminologist, determined the .45 caliber revolver, found 25 feet from the girl's body, was flung the distance by its own recoil. Powder traces on the girl's clothing indicated the weapon was held close when it discharged, the bullet piercing the left side and passing through the body.

The girl was wounded Tuesday and died the next day.

MEETING

PORTLAND, May 26 (AP)—The Washington and Oregon Tuberculosis associations will meet here June 3-4.
