

218 Children Enter Contest

Baby entrants in the Kiddie Carnival received health check-ups last Wednesday at the Moose lodge club-rooms, leaving 218 little tots in the competition for beauty awards, and honors as king and queen. The beauty review will be held Saturday afternoon, May 31, at the Eagles club. Mrs. Blanche Zellinski of Oregon City has been invited here as chairman of the judges, and will be accompanied by four members of the Oregon City DAV auxiliary. Miss and Master Klamath Falls will be selected by the judges as well as six boys and six girls from various age classes. Loving cups, trophies and blue ribbons will be awarded the winners at the grand finale to the Kiddie Carnival, June 9, at KUHS auditorium.

Talented youngsters were called for a practice audition Sunday afternoon at the Eagles club, and the committee in charge announces that a galaxy of musical numbers, songs, dances, acrobats, and readings will be presented at the show. Talent entrants will also be judged on Saturday, with the judges making eliminations, and selecting the "stars" of the various groups.

HIGH SCHOOL News Notes and Comment

By MARY O'BRIEN
GAA held a special initiation during activity period today to induct Beverly Kohn, Dolores Kidder, Carolyn Orr and Hazel Shaver into the Girls' Athletic Association. The initiation ritual was formal and the girls were afterward presented with the gold pin, a shield initialed with GAA, and a "K" guard. At noon the girls met for a pot-luck luncheon party in honor of the initiates.

Tonight the El Rodeo working staff is holding a banquet at Sari's at 8:30. Those who will attend are mainly those students who have taken El Rodeo work during fourth period all year. Howard Holt is faculty adviser to the annual staff.

Also in the publications department it is now planned to run the last issue of the Krater off the presses next Tuesday. The edition, which may be an eight-page job, will be distributed free to all the students in KU.

An all-school art exhibit is now being shown in Fremont auditorium with all grades from one to twelve exhibiting art and craft work. The exhibit is under the direction of art supervisor, Robert Banister. Francis Scapple's woodworking classes will also have their projects in the display. All parents and students are cordially invited to attend.

Junior-Senior prom ideas have crystallized into definite plans under the co-chairmanship of Don Zarosinski and Maudie Thompson. Baldy Evans' band will play for the affair which will follow a "Moonlight Memories" theme. The programs will be given free to juniors and seniors. Don't forget, those students bringing guests not attending KUHS are asked to sign the guest list in Eva Burkhalter's room before the close of school Thursday.

Linman To Head PER Association

Jack Linman was elected president of the Past Exalted Rulers association of the Klamath Falls Elks lodge at a meeting of the group held at the Winema hotel last night. Linman succeeds Lawrence Slater.

Linman headed the Klamath lodge in 1944-45. G. W. Houston, secretary of the lodge, was also named secretary of the PER's association.

A class of six will be initiated by the Elks lodge at Thursday night's meeting.

Regular Jury Panel Drawn

A new regular jury panel of 31 persons has been drawn for the June term of circuit court by County Clerk Charles DeLap and Sheriff Lloyd Low. The panel will serve until the first Monday in December, 1947.

Those drawn are Frank Wlaes, Chris Huck, J. W. Van Doren, Margaret Steiger, John D. Selby Jr., Matt Kohn Jr., Victor Douglas, Vaccav Kaina, Robert Faus, Elbert Stiles, Harry E. Peitz, H. R. Robbins, A. P. Glover, George Uerlings, William A. Ryser, Charles E. Seavey, Harold J. Bevan, Stanley Hallock, Donald P. Call, Andy D. Meek, Fred H. Biehn, Beverly Thomas, R. J. Conroy, Frank A. Victory, John P. Pastega, Melvin D. Henry, James E. Hammond, James M. Britton, Glenn L. Evans, Verne J. Griffith and Eugene W. Hooton.

The jury is scheduled to meet June 16. DeLap explained that usually the first seven names on the panel would be appointed as the county grand jury, but that Circuit Judge David R. Vandenberg has asked the December grand jury to remain on for the June term.

Potato Shipping Almost Ended

As the 1946-47 potato shipping season comes to an end, department of agriculture figures show that car-loadings are dwindling to practically nothing. No shipments have been made from the basin since May 24, and very few spuds are left in the basin. Seasonal shipment figures show that this year is dragging slightly behind last with 10,680 car-loads leaving the basin as compared to 10,888 for the 1945-46 season.

Roseburg Rejects Proposed Budget

ROSEBURG, May 28 (AP)—A proposed city budget which would have exceeded the 6 per cent limitation by \$79,218.53, was rejected yesterday by a margin of 90 votes.

The budget was the highest in city history and called for expenditures of \$191,435, of which \$161,492.56 was to be raised by taxes. The vote was 990 with 450 voting yes and 540 no.

Tavern Owner Shot In Leg

YONCALLA, May 28 (AP)—Elmer Thompson, owner and operator of a local pool hall and confectionery, was shot through the thigh late last night on his way home from his place of business to his farm home at Elkhead, 11 miles east of here. He was found near midnight by his son, Marvin, in a serious condition and was taken to a Eugene hospital.

Local authorities suspect robbery as the motive. Roseburg state police officers are investigating.

Mineral Club Plans Meeting

The Klamath Mineral club will meet Thursday evening, May 29, at 8 p. m. in the chamber of commerce rooms, 323 Main.

Members of the club will bring specimens of their work in cut and polished stone that will be placed on public display by the club. One of the giant fossil animal footprints that was recently discovered near Drew's creek in Lake county. This animal is still unidentified but guesses have ranged from bear to dinosaur. The prints were left in a soft mud that down through the centuries has been altered to a shale. The prints measure 17 inches in length and are spaced 32 inches apart. Argument has risen whether the animal was either a bi-ped or quadruped, if a quadruped the pace at which he crossed this mud flat was at the rate of nearly 10 feet to the stride.

The Klamath Mineral club is a non-technical organization formed to study the art of cutting and polishing agate and other semi-precious material; also to study the

geological and mineral resources of the Klamath basin. The meetings of the club are open to the public.

Good way to keep a Honey Happy

THINK back to the days when your Buick stood proud, shiny and new at your door. A touch of your toe and that two tons of car romped away gentle as a breeze—and just as obediently glided to a soft, sure stop.

That's the kind of driving that's right in the heart and soul of Buicks. It's there for you to have for years and years—especially when your car gets the kind of care such a honey should have.

That doesn't mean just filling her up and seeing that the oil doesn't get low. Nor a periodic lube job done with "one-kind-for-all" lubricants. It means competent care by men familiar with every part of a Buick—by men who know Buicks best and have an interest in seeing that you get the greatest satisfaction from yours.

Every detail of our service is aimed at this goal. The men are specialists on Buicks.

They work with Buick-designed tools. They're backed up by a parts department stocked with Buick-engineered parts that are just made for Buick cars.

So you see the difference between ordinary service and Buick car care. It's the skilful, considerate care that keeps your Buick always a Buick. It's the kind of care which proves that next to you, we like your Buick best.

TIME TO REPOWER?

Suppose your Buick is crowding the big figures in high mileage. Suppose you don't want to wait for that new one.

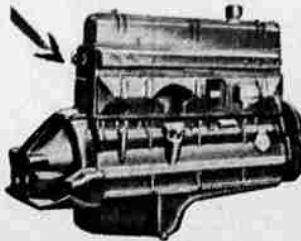

Here's a happy answer.

If your Buick's any model year from 1937 through 1942, you can make it factory-fresh as far as power is concerned with the Buick Power Package.

This is all the major assembly of a new Buick Fireball engine except carburetion and electrical systems. It puts good-as-new zip and performance into high-mileage cars.

Changing over is handled in a single operation—takes less time and often costs less than a really thorough overhaul and replacement job. More satisfaction, too, because you'll have a new factory-built engine.

Easy payments if you wish. Come in and talk it over.
